Heising,1996 Lists over 3 400 mystery titles written by women in correct series order as well as more than 600 series detectives created by women and more Titles are indexed by mystery type and series setting **Subject Guide to Books in Print** ,1991 ***Silk Stalkings*** Victoria Nichols,Susan Thompson,2000-09-20 ***Silk Stalkings*** When Women Write of Murder first published by Black Lizard Books in 1988 began more than fifteen years ago as the authors personal shopping list United by a common interest in crime and mystery fiction written by women and unable to find a reference source listing these titles the team of Nichols Thompson began to compile a list for themselves They have done it again the result is the remarkable

Silk Stalkings More Women Write of Murder That the genre has grown enormously since the first edition was published is obvious The authors not only updated past references but have also searched out and introduced new women mystery writers This book provides a comprehensive survey of series characters created by women authors in crime and mystery fiction from 1867 to 1997 The first half of the book categorizes 187 characters created since 1976 by profession avocations and inclination and discusses them in a frank witty critical voice The second half consists of a master list alphabetically arranged by author s real name and cross referenced by pseudonyms and a series character to author list The depth of the authors research is impressive and the detail is impeccable The authors have been actively involved in the community of mystery writers for fifteen years attending conferences and getting to know the authors of the books chronicled in Silk Stalkings Nichols Thompson provide scholars and fans alike with a source of long lost or forgotten treasures as well as what is currently hot in the world of women s mystery writing today This extraordinary reference effortlessly blends engaging observations with useful data into a work that will continue the well established tradition of Silk Stalkings
