

# Rush Hour Of The Gods New Religions

**Irving Hexham, Karla Poewe**

## **Rush Hour Of The Gods New Religions:**

**Legitimizing New Religions** James R. Lewis, 2003 James R Lewis has written the first book to deal explicitly with the issue of how emerging religions legitimate themselves He contends that a new religion has at least four different though overlapping areas where legitimacy is a concern making converts maintaining followers shaping public opinion and appeasing government authorities The legitimacy that new religions seek in the public realm is primarily that of social acceptance Mainstream society's acknowledgement of a religion as legitimate means recognizing its status as a genuine religion and thus recognizing its right to exist Through a series of wide ranging case studies Lewis explores the diversification of legitimation strategies of new religions as well the tactics that their critics use to de legitimate such groups Cases include the Movement for Spiritual Inner Awareness Native American prophet religions spiritualism the Church of Christ Scientist Scientology Church of Satan Heaven's Gate Unitarianism Hindu reform movements and Soka Gakkai a new Buddhist sect Since many of the issues raised with respect to newer religions can be extended to the legitimation strategies deployed by established religions this book sheds an intriguing new light on classic questions about the origin of all religions

New Religious Movements Bryan R. Wilson, Jamie Cresswell, 1999 Focusing on five countries Italy Brazil Germany Britain and the United States New Religious Movements offers a comprehensive and wide ranging study of the phenomena and impact of new religions

**Japanese New Religions in Global Perspective** Peter B Clarke, Peter B. Clarke, 2013-11-05 Since the 1960s virtually every part of the world has seen the arrival and establishment of Japanese new religious movements a process that has followed quickly on the heels of the most active period of Japanese economic expansion overseas This book examines the nature and extent of this religious expansion outside Japan

*A World Full of Gods* John Michael Greer, 2023-05-30 An investigation into the underpinnings and superstructures of the Pagan world view Pagan religions have tended to be more concerned with practice than with theory and in a system that has no dogma no legislated doctrine that is as it should be Yet as the movement grows and matures it is inevitable that we will begin to think in a more abstract way about our models and systems John Michael Greer has provided a primer on the kinds of ideas and themes that must be included in any discussion of the theology and philosophy of Neo pagan religions Much of the book takes shape in a dialogue with existing ideas in theology philosophy and comparative religion It looks to find a middle ground between too much and too little reference to the work of other scholars to find a comprehensible yet intellectually rigorous middle ground It aims to be part of a conversation that stretches out over the centuries Voices of polytheist spirituality have had little place in that conversation for many years but much of value has been said in their absence The rebirth of polytheism as a living religious tradition in the Western world will inevitably force a reassessment of much of that heritage and pose challenges to some of its most cherished assumptions Yet reassessment is not necessarily rejection and the traditions of modern polytheism are deeply enough indebted to legacies from the past that an attentive ear to earlier phases of the conversation is not out of

place     *Regulating Religion* James T. Richardson, 2012-12-06 *Regulating Religion* Case Studies from Around the Globe presents through the inclusion of contributions by international scholars a global examination of how a number of contemporary societies are regulating religious groups. It focuses on legal efforts to exert social control over such groups especially through court cases but also with selected major legislative attempts to regulate them. As such, this analysis falls within the broad area of the sociology of social control and more specifically legal social control, a topic of great interest when studying how contemporary societies attempt to maintain social order. The factual details about social and legal developments in societies where religion has been defined as problematic include Western and Eastern Europe, Asia, Oceania, and the Americas. This book will be of interest to researchers and students in the sociology of religion, the sociology of law, social policy, and religious studies as well as policy makers.

**Invented Religions** Carole M. Cusack, 2016-05-06 Utilizing contemporary scholarship on secularization, individualism, and consumer capitalism, this book explores religious movements founded in the West which are intentionally fictional: Discordianism, the Church of All Worlds, the Church of the SubGenius, and Jediism. Their continued appeal and success principally in America but gaining wider audience through the 1980s and 1990s is chiefly as a result of underground publishing and the internet. This book deals with immensely popular subject matter. Jediism developed from George Lucas' Star Wars films; the Church of the Flying Spaghetti Monster founded by 26-year-old student Bobby Henderson in 2005 as a protest against the teaching of Intelligent Design in schools; Discordianism and the Church of the SubGenius which retain strong followings and participation rates among college students; the Church of All Worlds focus on Gaia theology and environmental issues makes it a popular focus of attention. The continued success of these groups of Invented Religions provides a unique opportunity to explore the nature of late post-modern religious forms including the use of fiction as part of a bricolage for spirituality, identity formation, and personal orientation.

*Religious Pluralism* Giuseppe Giordan, Enzo Pace, 2014-07-08 This volume illustrates both theoretically and empirically the differences between religious diversity and religious pluralism. It highlights how the factual situation of cultural and religious diversity may lead to individual social and political choices of organized and recognized pluralism. In the process, both individual and collective identities are redefined incessantly moving along the continuum that ranges from exclusion to inclusion. The book starts by first detailing general issues related to religious pluralism. It makes the case for keeping the empirical, the normative, the regulatory, and the interactive dimensions of religious pluralism analytically distinct while recognizing that in practice they often overlap. It also underlines the importance of seeking connections between religious pluralism and other pluralisms. Next, the book explores how religious diversity can operate to contribute to legal pluralism and examines the different types of church-state relations: eradication, monopoly, oligopoly, and pluralism. The second half of the book features case studies that provide a more specific look at the general issues from ways to map and assess the religious diversity of a whole country to a comparison between Belgian/French views of religious and philosophical diversity from religious pluralism in Italy to the

shifting approach to ethnic and religious diversity in America and from a sociological and historical perspective of religious plurality in Japan to an exploration of Brazilian religions old and new The transition from religious diversity to religious pluralism is one of the most important challenges that will reshape the role of religion in contemporary society This book provides readers with insights that will help them better understand and interpret this unprecedented transition *New Religions As Global Cultures* Irving Hexham, Karla Poewe, 2018-02-12 Although the Great Anti Cult Crusade links new religious movements to dangerous cults brainwashing and the need for deprogramming Karla Poewe and Irving Hexham argue that many cults are the product of a dynamic interaction between folk religions and the teachings of traditional world religions Drawing on examples from Africa the United States Asia and Europe they suggest that few new religions are really new Most draw on rich if localized cultural traditions that are shaped anew by the influence of technological change and international linkages With the widespread loss of belief in biblical mythology in the nineteenth century new mythologies based on science and elements derived from various non Western religious traditions emerged leading to the growth and popularity of new religions and cults New Religions in Global Perspective Peter Bernard Clarke, 2006 This volume provides a complete guide to the global impact and cultural significance of new religious movements **Value Politics in Japan and Europe** François Foret, Airo Hino, 2021-12-24 This book explains the increasing importance of value politics in Europe and Japan shedding light on various arenas social values parties elections and politics public action private sector and law identity politics and religion media and public spheres It analyses how against different but commensurable backgrounds the rise of value politics alters or not the political game for which purposes and with which effects Applying both qualitative and quantitative methods from a wide range of primary and secondary sources the comparison is organized by joining skills from experts of Japan and Europe and by systematizing a common analytical framework for the two cases As such it presents a revealing and unique analysis of the changing relationship between values and political behaviour in the two polities Beyond the comparison it also documents the opportunities and challenges underlying the interactions between Europe Japan and the rest of the world and the competition combination between different versions of modernity This book is of key interest to scholars and students of European studies and politics Asian politics studies Japanese studies politics and more broadly to comparative politics sociology cultural media studies and economics

When somebody should go to the books stores, search introduction by shop, shelf by shelf, it is essentially problematic. This is why we allow the books compilations in this website. It will unconditionally ease you to look guide **Rush Hour Of The Gods New Religions** as you such as.

By searching the title, publisher, or authors of guide you truly want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best area within net connections. ### **Rush Hour Of The Gods New Religions Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Rush Hour Of The Gods New Religions PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong

learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Rush Hour Of The Gods New Religions PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Rush Hour Of The Gods New Religions free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

## **FAQs About Rush Hour Of The Gods New Religions Books**

**What is a Rush Hour Of The Gods New Religions PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Rush Hour Of The Gods New Religions PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Rush Hour Of The Gods New Religions PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Rush Hour Of The Gods New Religions PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Rush Hour Of The Gods New Religions PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are

many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
