 Katib,2019-08-28 We aim at testing knowledge acquisition and application albeit data analysis is tested in fewer instances

The questions are presented in Calibri body theme font to provide the best readability The questions stems are short bold and typed in size 14 font Each question has four options It is hard for a test taker who doesn t know the answer to guesstimate We have used plausible distractors and avoided double negatives Furthermore we have used the finished and unfinished statement styles and avoided complex structures of questions We have implemented the how common is and what is the likelihood that styles of questions as we believe that the reader s intuition and clinical sense last longer in mind than figures do
