Scotland Revisited

Lawrence Normand, Gareth Roberts

Scotland Revisited:

Scotland Revisited Janice Anderson, 2001 Armchair travelers and globetrotters alike will appreciate these lavishly illustrated informative volumes which will rekindle old memories and inspire new flights of fancy Combining the story of Scotland's turbulent past and its many celebrated heroes with information on the nation as it is today the author gives the reader a tour of this fabled land traveling from region to region and enjoying their sights and history Scotland's Populations from the 1850s to Today Michael Anderson, 2018-03-01 Scotland's Populations is a coherent and comprehensive description and analysis of the most recent 170 years of Scottish population history With its coverage of both national and local themes set in the context of changes in Scottish economy and society this study is an essential and definitive source for anyone teaching or writing on modern Scottish history sociology or geography Michael Anderson explores subjects such as population growth and decline rural settlement and depopulation and migration and emigration It sets current and recent population changes in their long term context exploring how the legacies of past demographic change have combined with a history of weak industrial investment employment insecurity deprivation and poor living conditions to produce the population profiles and changes of Scotland today While focussing on Scottish data Anderson engages in a rigorous treatment of comparisons of Scotland with its neighbours in the British Isles and elsewhere in Europe which ensures that this is more than a one country study *Scottish Feminist Judgments* Sharon Cowan, Chloë Kennedy, Vanessa E Munro, 2019-12-12 An innovative collaboration between academics practitioners activists and artists this timely and provocative book rewrites 16 significant Scots law cases spanning a range of substantive topics from a feminist perspective Exposing power politics and partiality feminist judges provide alternative accounts that bring gender equity concerns to the fore whilst remaining bound by the facts and legal authorities encountered by the original court Paying particular attention to Scotland's distinctive national identity fluctuating experiences of political sovereignty and unique legal traditions and institutions this book contributes in a distinctive register to the emerging dialogue amongst feminist judgment projects across the globe Its judgments address concerns not only about gender equality but also about the interplay between gender class national identity and citizenship in contemporary Scotland The book also showcases unique contributions from leading artists which provoked by the enterprise of feminist judging or by individual cases offer a visceral and affective engagement with the legal The book will be of interest to academics practitioners and students of Scots law policy makers as well as to scholars of feminist and critical theory and law and gender internationally *The Geology of Scotland, 5th edition (paperback)* Martin Smith, Rob Strachan, 2024-08-30 Although a small country Scotland's geology is complex internationally renowned and offers an accessible outdoor research laboratory and training ground for earth science The onshore and offshore geology together encompass examples of all Earth's geological periods and preserve many classic examples of sedimentary basins and orogenic belts Palaeontological findings have provided key evidence for the evolution of life With a wide spectrum of

contributors full colour figures and photographs and for each chapter a Topic Box highlighting key research developments and challenges this 5th edition of *The Geology of Scotland* represents a major update and expansion from the 4th edition A revised Introduction summarizes the geological evolution of Scotland the nature of the crust and the societal relevance of geology to climate change and sustainability The final three chapters provide a modern view on energy water and minerals environmental concerns and geoconservation The intervening chapters cover the geological periods including much new geochronological data and exciting new palaeontological discoveries

Witchcraft in Early Modern Scotland Lawrence Normand, Gareth Roberts, 2022-03-23 This volume provides a valuable introduction to the key concepts of witchcraft and demonology through a detailed study of one of the best known and most notorious episodes of Scottish history the North Berwick witch hunt in which King James was involved as alleged victim interrogator judge and demonologist It provides hitherto unpublished and inaccessible material from the legal documentation of the trials in a way that makes the material fully comprehensible as well as full texts of the pamphlet *News from Scotland and James Demonology* all in a readable modernised scholarly form Full introductory sections and supporting notes provide information about the contexts needed to understand the texts court politics social history and culture religious changes law and the workings of the court and the history of witchcraft prosecutions in Scotland before 1590 The book also brings to bear on this material current scholarship on the history of European witchcraft

Scottish Migration Since 1750 James C. Docherty, 2016-08-11 *Scottish Migration since 1750* Reasons and Results begins a fresh chapter in migration studies using new methods and unpublished sources to map the course of Scottish migration between 1750 and 1990 It explains why the Scottish population grew after 1650 why most Scots continued to be female and the underlying economic reasons for Scottish emigration after 1820 It surveys migration to England Canada United States South Africa Australia and New Zealand It explores their names marriages family structures and religions and assesses how well they really fared compared to other British migrants Far from being just another Celtic sob story this book offers a model about how the histories of other migrant groups might be reappraised

The Oxford Companion to Scottish History Michael Lynch, 2007 Searchable online reference covers more than 20 centuries of history and interpret history broadly covering areas such as archaeology climate culture languages immigration migration and emigration Multi authored entries analyze key themes such as national identity women and society living standards and religious belief across the centuries in an authoritative yet approachable way The A Z entries are complemented by maps genealogies a glossary a chronology and an extensive guide to further reading From title screen

The Oxford Handbook of Modern Scottish History T. M. Devine, Jenny Wormald, 2012-01-26 A landmark study which reconsiders in fresh and illuminating ways the classic themes of the nation s history since the sixteenth century as well as a number of new topics which are only now receiving detailed attention Places the Scottish experience firmly in an international historical experience

The English Catalogue of Books ... Sampson Low, 1903 *The Annual American*

Catalogue Cumulated ,1903

Rewriting the Past in Scottish Literature, 1350-1550 Kate Ash-Irisarri,2025-04

Considers how Anglo Scottish conflict was memorialised reimagined and embedded by later writers The Anglo Scottish Wars of Independence are often treated in historical and poetical works produced in Scotland between the fourteenth and sixteenth century from chronicles and hagiographical romances to advisory and commemorative poems Through an examination of such texts this book explores how late medieval writers drew on the memory of the wars to articulate a collective identity and how literary and historical frameworks were deeply influenced by shifting Anglo Scottish relations It covers a range of topics how borders textual geographic and cultural became a focus for articulations of national memory the utilisation of origin myths and royal genealogy anxieties around failures of memory or deliberate acts of forgetting and the impact of the Battle of Flodden 1513 on writing about Scottish nationhood Dealing in particular with Bower s *Scotichronicon* Hary s Wallace *The Complaynt of Scotland* and Lyndsay s *Dreme* this study argues that these writers drew on understandings of the arts of memory to shape selective and collective recollections of the past as a response to contemporary concerns providing an emotive memorialisation of Scotland s history and Lyndsay s *Dreme* this study argues that these writers drew on understandings of the arts of memory to shape selective and collective recollections of the past as a response to contemporary concerns providing an emotive memorialisation of Scotland s history and Lyndsay s *Dreme* this study argues that these writers drew on understandings of the arts of memory to shape selective and collective recollections of the past as a response to contemporary concerns providing an emotive memorialisation of Scotland s history and Lyndsay s *Dreme* this study argues that these writers drew on understandings of the arts of memory to shape selective and collective recollections of the past as a response to contemporary concerns providing an emotive memorialisation of Scotland s history

The Impact of Latin Culture on Medieval and Early Modern Scottish Writing Ian Johnson,Alessandra Petrina,2018-04-30 In the late medieval and early modern periods Scottish latinity had its distinctive stamp most intriguingly so in its effects upon the literary vernacular and on themes of national identity This volume shows how when viewed through the prism of latinity Scottish textuality was distinctive and fecund The flowering of Scottish writing owed itself to a subtle combination of literary praxis the ideal of eloquentia and ideological deftness which enabled writers to service a burgeoning national literary tradition

Communities in European History Juan Pan-Montojo,Frederik Pedersen,2007 Prophet Margins Edward L. Ridsen,Karen Rathmell Moranski,Stephen Yandell,2004 While poets have traditionally inhabited cultural margins prophets have brought poetic language to the center of cultural debate not foretelling the future so much as diagnosing the present This exciting collection of nine essays examines the range of social and political implications that inflects poetic discourse from the Old English and Latin texts of the Anglo Saxon world to the Scotland and England of the Renaissance Whether saints lives Germanic heroic epics chronicles or satiric poems the works discussed in this book retain their verbal power if not their political influence into our own time

The Westminster ,1907

Network North Steve Murdoch,2006

Discussing a series of economic confessional political and espionage networks this volume provides an illuminating study of network history in Northern Europe in the early modern period The empirically researched chapters advance existing social network theory into accessible historical discussion *Essays* William Ernest Henley,Robert Louis Stevenson,1908

Essays: I. Fielding. Smollett. Hazlitt. Burns. II. Byron's world. "Pippin". Othello. "T.E.B." Old England. Balzac. Hugo William Ernest Henley,1908 The Works of W. E. Henley ... William Ernest Henley,Robert Louis Stevenson,1908
