Scotlands Splendour:

The Clydesdale Stud Book of Canada Clydesdale Horse Association of Canada,1914 Scotland's Story Henrietta Elizabeth Marshall,1907 Scotland's Splendour George Blake,Joseph Balfour Foreman,1960 Scotland's Splendour George Blake,Joseph Balfour Foreman,1971 Robert Fergusson and the Scottish Periodical Press Rhona Brown,2016-04-08 Though Robert Fergusson published only one collection of poems during his lifetime he was a fixture in the Scottish periodical press Rhona Brown explores Fergusson s poetic output in its immediate periodical context enabling a new understanding of Fergusson s contribution to poetry that also enlarges on our understanding of the Scottish periodical press Focusing on the development of his career in Walter Ruddiman s Weekly Magazine Brown situates Fergusson s poetry alongside contemporary events that expose Fergusson s preoccupations with the frivolities of fashion theatrical culture the economic status of Scottish manufacture and politics At the same time Brown offers fascinating insights into the political climate of Enlightenment Scotland and shows the Weekly Magazine in relationship to the larger Scottish and British periodical milieus She concludes by exploring reactions to Fergusson s death in the British periodical presses arguing that contrary to critical consensus the poet s death was ignored neither by his own country nor by the larger literary community

The Sunlit Summit Robin Lloyd-Jones,2013-08-15 William Hutchison Murray 1913 1996 was one of Scotland s most distinguished climbers in the years before and after the Second World War As a prisoner of war in Italy he wrote his first classic book Mountaineering in Scotland on rough toilet paper which was confiscated and destroyed by the Gestapo The rewritten version was published in 1947 and followed by the now equally famous Undiscovered Scotland In 1951 he was depute leader to Eric Shipton on the Everest Reconnaissance Expedition which discovered the eventual successful route which would be climbed by Hilary and Tensing From the 1960s onwards he was heavily involved in conservation campaigns and his book Highland Landscape commissioned by the National Trust for Scotland identified areas of outstanding beauty that should be protected It proved to be extremely influential In 1966 he was awarded an OBE as he pursued a life of service as is well illustrated by the various posts he held Commissioner for the Countryside Commission for Scotland 1968 1980 President of the Scottish Mountaineering Club 1962 1964 and of the Ramblers Association Scotland 1966 82 Chairman of Scottish Countryside Activities Council 1967 82 Vice President of the Alpine Club 1971 72 President of Mountaineering Council of Scotland 1972 75 He was a prolific author but a proper understanding of his life and work requires that we appreciate that his driving force was a quest to achieve inner purification that would lead him to oneness with Truth and Beauty For many years the climber author and teacher Robin Lloyd Jones above has been researching the life and work of Bill Murray and working steadily on this biography It is not only a triumph of fine writing and interest but a worthy accolade

The Bonniest Companie Kathleen Jamie, 2015-10-08 In her extraordinary collection Kathleen Jamie examines her native Scotland a country at once wild and contained rural and urban and her place within it In the author's own words 2014 was a year of tremendous energy in my native Scotland and knowing I wanted to embrace that energy and participate in my own way I resolved to write a poem a week and follow the cycle of the year The poems also venture into childhood and family memory and look to ahead to the future The Bonniest Companie is a visionary response to a year shaped and charged by both local and global forces and will stand as a remarkable document of our times *The Scottish Pulpit*, 1833 *Miscellanea Scotica: Memoirs of the ancient alliance between France and Scotland. navigators of the Phoenician seaboard had explored the darkness of the hyperborean ocean The first to steer by the pole star they boldly adventured where less skillful mariners would have feared to penetrate Within the hazy confine of the North Sea they descried an island swathed in a mild if humid air and disclosing to the eye behind its frontier screen of chalk cliffs the pleasing prospect of wooded hills and far expanding meadows roamed over by numerous herds and inhabitants The Phoenicians oft revisited this remote and to all but themselves unknown shore but the enriching trade which they carried on with it they retained for centuries in their own hands Their ships might be seen passing out at the Pillars of Hercules on voyages of unknown destination and after the lapse of months they would return laden with the products of regions which had found as yet no name on the chart of geographer 3 But the source of this trade they kept a secret from the rest of the nations By and by however it began to be rumoured that the fleets seen going and returning on these mysterious voyages traded with an island that lay far to the north and which was rich in a metal so white and lustrous that it had begun to be used as a substitute for silver In this capacity it was employed now to lend a meretricious glitter to the robe of the courtesan and now to impart a more legitimate splendour to the mantle of the magistrate
