Scottish Fairy Tales:

The Scottish Fairy Book Elizabeth Wilson Grierson, 1918 *Scottish Fairy and Folk Tales* George Douglas, 1901

Scottish fairy and folk tales, ed. by sir G. Douglas George Douglas, 1893 *The Scottish Fairy Book* Elizabeth Grierson, 2011-09-28

There are roughly speaking two distinct types of Scottish Fairy Tales. There are what may be called Celtic Stories which were handed down for centuries by word of mouth by professional story tellers who went about from clachan to clachan in the Highlands and Islands earning a night's shelter by giving a night's entertainment and which have now been collected and classified for us by Campbell of Isla and others. These stories which are also common to the North of Ireland are wild and fantastic and very often somewhat monotonous and their themes are strangely alike. They almost always tell of some hero or heroine who sets out on some dangerous quest and who is met by giants generally three in number who appear one after the other with whom they hold quaint dialogues and whom eventually they slay. Most of them are fairly long and although they have a peculiar fascination of their own they are quite distinct from the ordinary Fairy Tale. These latter in Scotland have also a character of their own for there is no country where the existence of Spirits and Goblins has been so implicitly believed in up to a comparatively recent date. As a proof of this we can go to Hogg's tale of The Wool gatherer and see how the countryman Barnaby voices the belief of his day. Ye had need to tak care how ye dispute the existence of fairies brownies and apparitions. Ye may as weel dispute the Gospel of Saint Matthew. Perhaps it was the bleak and stern character of their climate and the austerity of their religious beliefs which made our Scottish forefathers think of the spirits in whom they so firmly believed as being for the most part mischievous and malevolent. Their Bogies their Witches their Kelpies even their Fairy Queen herself were supposed to be in league with the Evil One and to be compelled as Thomas of Ercildoune was near finding out to his cost to pay a Tiend to Hell every seven years so it was not to be wondered at that these uncanny beings were dreaded and feared. But along with this dark and gloomy view we find touches of delicate playfulness and brightness. The Fairy Queen might be in league with Satan but her subjects were not all bound by the same law and many charming tales are told of the sith or silent folk who were always spoken of with respect in case they might be within earshot who made their dwellings under some rocky knove and who came out and danced on the dewy sward at midnight. Akin to them are the tales which are told about a mysterious region under the sea far below the abode of fishes where a strange race of beings lived who in their own land closely resembled human beings and were of such surpassing beauty that they charmed the hearts of all who looked on them. They were spoken of as Mermaids and Mermen and as their lungs were not adapted for breathing under water they had the extraordinary power of entering into the skin of some fish or sea animal and in this way passing from their own abode to our upper world where they held converse with mortal men and as often as not tried to lure them to destruction. The popular idea always represents Mer folk as wearing the tails of fishes. In Scottish Folklore they are quite as often found in the form of seals. Then we frequently come across the Brownie that strange kindly lovable creature

with its shaggy unkempt appearance half man half beast who was said to be the ordained helper of man in the drudgery entailed by sin and was therefore forbidden to receive wages who always worked when no one was looking and who disappeared if any notice were taken of him **Scottish Fairy and Folk Tales** George Douglas,2000-01-01 Brownies kelpies mermen trolls and other supernatural creatures magically appear in a series of delightful tales to assist annoy and otherwise meddle in the lives of simple Scottish country folk **Scottish Folk Tales for Children** Judy Paterson,2017-03-09 A giant sea monster trees that can dance a water horse a girl so clever she outwits a giant Welcome to the world of the Scottish folk tale a world of talking animals mischief making witches giants trolls bold girls reckless boys and of course the Wee Folk These stories specially chosen to be enjoyed by 7 to 11 year old readers burst with adventure and glitter with magic As old as the mountains and the glens these well loved tales are retold by storyteller Judy Paterson

Scottish Folk and Fairy Tales from Burns to Buchan Gordon Jarvie,2008-10-02 Mystery and excitement abound in this lively collection of fairy tales folklore and legends which celebrate Scotland s enormously rich oral tradition and offers a carefully chosen combination of old favourites such as Tam Lin Thomas Rymer and Adam Bell as well as more modern stories by master story tellers like Andrew Lang Sir Arthur Conan Doyle and John Buchan Scottish Folk & Fairy Tales J.K. Jackson,2022-10-11 Scottish tales collected here are rooted in the lochs and highlands of the landscape Scottish folk and fairy tales are full of mischief and malevolence with spirits and goblins bogies witches kelpies and mer folk lurking in every corner of the land behind every tree and craggy rock at midnight In these pages lurk the Fairy queen and the Sith or silent folk who mingle with animals that speak of prophesy and lore and enchantments that rule the twilight Flame Tree Collector s Editions present the foundations of speculative fiction authors myths and tales without which the imaginative literature of the twentieth century would not exist bringing the best most influential and most fascinating works into a striking and collectable library Each book features a new introduction and a Glossary of Terms Scottish Fairy and Folk Tales Sir George Douglas,2017-09-02 Scottish Fairy and Folk Tales is a timeless collection of Scottish folklore legends and tales which will appeal to readers of all ages Here you will find stories of the fantastic the supernatural the cunning the hilarious and the gifted all finely representative of the Scottish people in all their mannerisms Divided into seven sections Nursery Stories Stories of Animals Fairy Tales The Brownie The Bogle The Kelpy Mermen Demons Witchcraft Comic Tales and Literary Tales the reader will delight in each tale focused as they are upon the specifically Scottish nature of the retelling Here one can meet the mythical kelpy a supernatural water horse that was said to haunt Scotland s lochs and lonely rivers The reader will also meet the bogle ghost giants mythical beasts and a comical lamb which seeks to please its master even to the cooking pot The stories in this classic volume were compiled from oral traditions and the oldest Scottish writings Rarely has such a pleasing and complete overview of traditional Scottish folklore ever seen the light of day Now fully reset complete with its original beautiful illustrations *Scottish Fairy Belief* Lizanne Henderson,Edward J. Cowan,2001 The authorities told folk

what they ought to believe but what did they really believe Throughout Scottish history people have believed in fairies They were a part of everyday life as real as the sunrise and as incontrovertible as the existence of God While fairy belief was only a fragment of a much larger complex the implications of studying this belief tradition are potentially vast revealing some understanding of the worldview of the people of past centuries This book the first modern study of the subject examines the history and nature of fairy belief the major themes and motifs the demonising attack upon the tradition and the attempted reinstatement of the reality of fairies at the end of the seventeenth century as well as their place in ballads and in Scottish literature

Scottish Fairy and Folk Tales George Douglas,1908 *Scottish Fairy Tales* ,2005 Full e texts **Scottish Fairy Tales, Folklore, and Legends** ,1902 *The Scottish Fairy Book* Elizabeth W. Grierson,2024-11-23 There are roughly speaking two distinct types of Scottish Fairy Tales There are what may be called Celtic Stories which were handed down for centuries by word of mouth by professional story tellers who went about from clachan to clachan in the High lands and Islands earning a night s shelter by giving a night s entertainment and which have now been collected and classified for us by Campbell of Isla and others These stories which are also common to the North of Ireland are wild and fantastic and very often somewhat monotonous and their themes are strangely alike They almost always tell of some hero or heroine who sets out on some dangerous quest and who is met by giants generally three in number who appear one after the other with whom they hold quaint dialogues and whom eventually they slay Most of them are fairly long and although they have a peculiar fascination of their own they are quite distinct from the ordinary Fairy Tale
