Along with provocative articles and valuable advice from top creators in the industry, this is the only practical guide that provides the most comprehensive information for all screenwriters. Book Jacket

Scenario Tudor Gates, 2002 *Scenario* The Craft of Screenwriting presents a system of logical analysis of the basic structures of successful screenplays from initial plot lines to realised scripts. All the essential building blocks are discussed in depth: the need for a strong premise, the roles of protagonist and antagonist, the orchestration of plot, characters and dialogue leading to a clear resolution. Written by a highly experienced and successful screenwriter, this is a book which not only instructs first-time writers how to go about their work but also serves as a valuable check list for established authors and for actors, directors and teachers in their task of deconstructing and assessing the value of the material placed before them.
