## **Scripture And Metaphysics:**

**Scripture and Metaphysics** Matthew Levering, 2008-04-15 This book makes a major contribution to contemporary theological and philosophical debates bridging scriptural and metaphysical approaches to the triune God Bridges the gap between scriptural and metaphysical approaches to biblical narratives Retrieves Aquinas's understanding of theology as contemplative wisdom Structured around Aquinas's treatise on the triune God in his *Summa Theologiae* Argues that intellectual contemplation is part of a broader spiritual journey towards a better understanding of God Contributes to the current resurgence of Thomistic theology in both Protestant and Catholic circles **God in Himself** Steven J.

Duby, 2019-12-31 How do we know God Can we know God as he is in himself Theologians have argued for the role of natural and supernatural revelation while others have argued that we know God only on the basis of the incarnation In this SCDS volume Steven J. Duby casts a vision for integrating natural theology the incarnation and metaphysics in a Christian description of God in himself **Scripture, Metaphysics, and Poetry** Robert MacSwain, 2016-04-01 This book offers a critical edition of arguably the greatest work of English theology in the 20th century Austin Farrer's Bampton Lectures published as *The Glass of Vision* in 1948 Farrer was an interdisciplinary genius who made original contributions to philosophy theology and biblical studies as well as to our understanding of the role of imagination in human thought and Christian doctrine According to Farrer the three primary themes of these lectures are scripture metaphysics and poetry individually and in relation to each other The lectures defend his famous theory of divine revelation through images rather than propositions or events a provocative account of the place of metaphysical reasoning in theology and a literary approach to the Biblical text that was decades ahead of its time and is still controversial *The Glass of Vision* has generated a rich and interesting interdisciplinary conversation that has lasted for decades starting with commentators such as Helen Gardner and Frank Kermode In addition to Farrer's full text this critical edition also contains an introduction to the significance and context of Farrer's thought and a selection of thirty years worth of commentary by leading British and European theologians and literary scholars David Brown Ingolf Dalferth Hans Haug Douglas Hedley David Jasper and Gerard Loughlin Of interest to literary and biblical scholars theologians and philosophers this book holds particular value for those exploring the nature of imagination in contemporary thought and scholarship **The Philosophy of Hebrew Scripture** Yoram Hazony, 2012-07-30 This book offers a new framework for reading the Bible as a work of reason *Behind the Veil* Thomas Griffith, 1876

*Five Things Theologians Wish Biblical Scholars Knew* Hans Boersma, 2021-09-07 The relationship between theology and biblical studies is often marked by misunderstandings methodological differences and cross discipline tension With an irenic spirit as well as honesty about differences that remain theologian Hans Boersma highlights five things he wishes biblical scholars knew about theology so that these disciplines might once again serve the church hand in hand *The Trinity & the Bible* Scott R. Swain, 2021-09-29 Seeing the Trinity in Scripture Orthodox Christians affirm and worship a triune God But how

should this affect our reading of the Bible In The Trinity and the Bible Scott R Swain asserts that not only does the Bible reveal the Trinity but the Trinity illuminates our reading of the Bible Swain reflects on method and applies a Trinitarian framework to three exegetical studies Explorations of three genres of New Testament literature Gospel epistle and apocalyptic display the profits of theological interpretation Through loving attention to the Scriptures one can understand and marvel at the singular identity and activity of the triune God

**Sexuality and Scripture** Jim Naughton, Masiwa Ragies Gunda, 2017-08-01 Of interest to biblical scholars students and those following the international debate on same sex issues Internationally known authors Demonstrates serious students of Scripture can find good news for LGBTQ people and churches that affirm them in the Bible and the life and teachings of Jesus The Chicago Consultation has sponsored consultations in South Africa Kenya and Ghana on Scripture and sexuality With papers Bible studies and personal essays from American African and other international scholars this book offers a new way of approaching sacred texts to discover what the Bible does and does not say about human sexuality The Chicago Consultation has developed a reputation for civil conversation among those on multiple sides of issues related to gender equality Their work in Africa builds on that reputation now reaching international biblical scholars and students **The Old Testament Student**, 1886 **Metaphysics and the Tri-Personal God** William Hasker, 2013-08 William Hasker reviews the evidence concerning fourth century pro Nicene trinitarianism in the light of recent developments in the scholarship on this period arguing for particular interpretations of crucial concepts He then reviews and criticises recent work on the issue of the divine three in oneness including systematic theologians such as Barth Rahner Moltmann and Zizioulas and analytic philosophers of religion such as Leftow van Inwagen Craig and Swinburne **Catalogue of Printed Books** British Museum, 1899 **British Museum** British Museum (London), 1883 Hosea Bo H Lim, Daniel Castelo, 2015-10-21 In this commentary Old Testament scholar Bo Lim and theologian Daniel Castelo work together to help the church recover read and proclaim the prophetic book of Hosea in a way that is both faithful to its message and relevant to our contemporary context Though the book of Hosea is rich with imagery and metaphor that can be difficult to interpret Lim and Castelo show that with its focus on corporate and structural sin Hosea contains a critically important message for today's church *Creator* Peter J. Leithart, 2023-12-05 Discussion about God's work of creation are often overwhelmed by questions such as the age of the earth and the relationship between divine creation and evolution Without completely ignoring these issues this rigorously grounded theological interpretation of Genesis 1 engages thinkers like Plato Martin Luther and Karl Barth **Systematic Theology, Volume 2** Katherine Sonderegger, 2020-11-03 Katherine Sonderegger follows her monumental volume on the doctrine of God with this second entry of her Systematic Theology which explores the doctrine of the Holy Trinity Locating her analysis first in the Hebrew Scriptures Sonderegger examines the thrice holy God that is proclaimed to Isaiah in the sanctuary and manifested in the sacrifice of the temple The book of Leviticus read in conversation with Exodus unfolds the doctrine of the Trinity under the character of holiness In the one God Trinity speaks of the life movement and self offering of God who is the eternal procession of goodness and light In Israel's sacrificial covenant the triune God is perfect self offering the eternal descent of the Father of Lights is the offering who is Son eternally received and hallowed in the one who is Spirit Anchoring the theology of the Trinity in Israel's Scriptures in this way elevates the processions over the persons exploring the mystery of the Divine Life as holy rational and good The Divine Persons named in the New Testament cannot be defined

but may be glimpsed in the notion of perfection a complete and perfect infinite set In all these ways the Holy Trinity may be praised as the deep reality of the life of God
