Midnight Poet:

Perilous Poetry Kym Roberts, 2017-10-10 Charli Rae Warren doesn't plan on striking it rich as the owner of an independent bookstore in Hazel Rock Texas especially one with a pink armadillo as its mascot But when an ingenious advertising campaign puts her business on the map it ropes in some deadly publicity Charli can't believe writer Lucy Barton has agreed to promote her latest Midnight Poet Society novel at The Book Barn Princess or that there's only a week and a half to prepare for the signing It's all because of The Book Seekers a smartphone app created by her cousin Jamal exclusively for Charli's bookstore which sends fans on a virtual scavenger hunt around town for a chance to meet the bestselling author But as soon as it goes live people turn up dead Someone's using The Book Seekers to track victims and copycat the fictional Midnight Poet Society homicides and horrified locals suspect Jamal could be the mastermind behind the crimes While Charli readies the Barn for a stampede of new customers it'll take true grit to shelve the culprit before her brainy cousin gets locked behind bars Ms Barton backs out of the visit and she finds herself up a creek with a serial killer holding the paddle

Adrienne Rich's Later Poetry Alec Marsh, 2024-12-12 Reorienting understandings of Adrienne Rich's later work through her interest in Marx and Marxist politics this book engages with this overlooked part of her oeuvre through considerations of issues such as race nationhood and gender From 1983 onward after she visited revolutionary Nicaragua until the end of her life Rich's political vision can best be described as Marxist Humanist Until recently very little attention has been paid to Rich's interest in Marx there is no in-depth treatment of the effect of Marx's humanistic philosophy on Rich's later work or even on her unwavering but altered dedication to Women's Liberation This book fills this gap showing how Rich's discovery of Marx's humanism affected her poetry In doing so it makes a significant intervention into debates about the direction of American poetics and argues powerfully for a greater consciousness of political engagement through poetry

The Poets and Poetry of Scotland James Grant Wilson, 1877 *Robert Penn Warren's Modernist Spirituality* Robert Steven Koppelman, 1995 Beginning with an overview of Warren's career as a Fugitive at Vanderbilt and then later as a formidable New Critic Koppelman argues that Warren's regard for the spiritual aesthetic of both literary language and form can be traced to his early study of poetic metaphor To illustrate Warren's mature vision Koppelman centers his study on two novels and two poetry collections All the King's Men A Place to Come To Promises Poems 1954 1956 and Now and Then Poems 1976 1978 He also examines the critical studies that concentrate on Warren's vision of time history and spiritual fulfillment as well as those essays by Warren that complement his poems and novels in such a way as to elicit the reader's participation in the redemption of their narrators *Disowned by Memory* David Bromwich, 2000-04-15 Informed by a knowledge of political thought and by close attention to poetic texture Disowned by Memory is above all a study of moral psychology The idea of personal consciousness which we now take for granted yet which has been vital to the development of modern poetry had much of its real beginning in Wordsworth More than any other work of criticism this book tells how that

discovery occurred *A Legend of St. Bees, and Other Poems* Charles Frederick Forshaw, 1891 *Lethal Literature* Kym Roberts, 2018-05-01 Running an independent bookstore in small town Hazel Rock Texas doesn't sound like a high risk pursuit But when a fundraiser reveals a story with a truly killer ending Charli Rae Warren will need to scramble to sort out the deadly plot Sponsoring the literacy drive to benefit the foster care system should be a feel good endeavor but one of Charli's helpers is definitely on another page Charli's dad is distracted and keeping something secret which Charli suspects is a harmless flirtation with an attractive county clerk who offered to lend them a hand It's nothing to worry about until the same clerk winds up dead When nosy locals begin pointing fingers Charli finds herself entangled in a race to uncover the killer's identity and to get to the bottom of a shattering family secret that could rewrite her history in alarming ways Suddenly Charli is facing her worst fears and her childhood nemesis in order to unmask a murderer before he silences her for good Killer Classics Kym Roberts, 2018-12-04 Murder takes a page from a small town Texas bookstore owner's latest book club pick in this cozy mystery by author of *Lethal Literature* Charli takes great pride in running one of the few independent family owned bookstores in Texas She vets everything carefully with an eye to the eclectic tastes of the locals of Hazel Rock That includes the Book Barn's weekly book club selection This time out it's a mystery whose characters bear a striking resemblance to local citizens including Charli's friend Sugar who's the prime suspect when her real life nemesis is found dead in a hotel's water tank With help from her pet armadillo Princess Charli campaigns to clear Sugar's sweet name literally when the up for election mayor becomes a killer's next target Murder and politics make scandalous bedfellows as Charli discovers that fiction may be fatal but reality could be just as deadly Praise for *Killer Classics* Roberts has another hit with *Killer Classics* The plot is deceptively intricate there is a solid mystery in there Fans of the series will be once again delighted with Charli's new adventure and the poor souls who have never read this fabulous series can jump right in and enjoy this fun ride Fresh Fiction Kym Roberts has created a highly entertaining story filled with twists and turns that keep the reader guessing Her writing is smooth fast paced character driven and humorous The Cozy Review **Midnight's Gate** Beidao, 2005 Twenty essays about Bei Dao's life in exile since Tiananmen Square Knowledge of death is the only key that can open midnight's gate Bei Dao Bei Dao has gained international acclaim over the last decade for his haunting interior poetic landscapes his poetry is translated and published in some twenty five languages around the world Now in *Midnight's Gate* Bei Dao redefines the essay form with the same elliptical precision of his poetry but with an openness and humor that complements the complexity of his poems The twenty essays of *Midnight's Gate* form a travelogue of a poet who has lived in some seven countries since his exile from China in 1989 The work carries us from Palestine to Sacramento At one point we are led into a basement in Paris for a production of Gorky's *Lower Depths* the next moment we are in the mountains of China where Bei Dao worked for eleven years as a concrete mixer and ironworker The subjective experience deepens and multiplies in these essays filled with the stories of ordinary Chinese immigrants as well as those of literary artistic and political figures And it all coheres with a poet's

New England Nature David K. Leff, Eric D. Lehman, 2020-12-01

Since its founding four hundred years ago New England has been a vital source of nature writing Maybe it's the diversity of landscapes huddled so close together or the marriage of nature and culture in a relatively small six state region Maybe it's the regenerative powers of the ecosystem in a place of repeated exploitations Or maybe we have simply been thinking about our relationship with the natural world longer than everyone If all successive nature writing is a footnote to Henry David Thoreau then New England has a strong claim to being the birthplace of the genre But there are as the sixty entries in this anthology demonstrate many other regional voices that extol the wonders and beauty of the outdoors explore local ecology and call for environmental sustainability Between these covers Noah Webster calls for our stewardship of nature and Lydia Sigourney finds sublime pleasure in it Jonathan Edwards and Helen Keller both find miracles while Samuel Peters and Mark Twain find humor Author Nathaniel Hawthorne discovers a place to hide his metaphors while the enslaved James Mars discovers an actual hiding place Through it all is the apprehension of a profound and lasting splendor the glory of physical nature as W E B Dubois calls it something beyond our everyday concerns and yet tied so closely to our daily lives that we cannot escape it Nature writing cultivates our sense of beauty inflaming curiosity and the passion to explore It opens us to deep primal experiences that enrich life Anyone wanting to understand our relationship with the world must start here
