Miniatures Illuminations Of Amir Hosrov:

Miniatures Illuminations of Amir Hosrov Dehlevi's Works, 1983 *Perspectives on Persian Painting* Dr Barbara Brend, 2013-11-05 This is a detailed study of the illustrations to Amir Khusrau's Khamsah in which twenty discourses are followed by a brief parable and four romances Amir Khusrau 1253-1325 lived the greater part of adventurous life in Delhi he composed in Persian and also in Hindi From the point of view of manuscript illustration his most important work is his Khamsah Quintet Khusrau's position as a link between cultures of Persia and India means that the early illustrated copies of the Khamsah have a particular interest The first extant exemplar is from the Persian area in the late 14th century but a case can be made that work was probably illustrated earlier in India **Bibliography of Art and Architecture in the Islamic World (2 Vol. Set)** Susan Sinclair, C. H. Bleaney, Pablo García Suárez, 2012 Following the tradition and style of the acclaimed Index Islamicus the editors have created this new Bibliography of Art and Architecture in the Islamic World The editors have surveyed and annotated a wide range of books and articles from collected volumes and journals published in all European languages except Turkish between 1906 and 2011 This comprehensive bibliography is an indispensable tool for everyone involved in the study of material culture in Muslim societies **Studies in the Islamic Arts of the Book** Robert Hillenbrand, 2012-12-31 The studies collected in this volume some of them rather difficult of access date mostly from the last fifteen years and focus primarily on Persian book painting of the 14th to the early 16th centuries In this period Iran dominated the art of book painting in the Islamic world The articles reprinted here examine various aspects of this the golden age of Persian painting They range from the period of Mongol rule when the impact of Far Eastern themes and modes radically transformed the heritage bequeathed to Iran by Arab painting a textbook case of the clash of civilisations to the dawn of the modern era and the swansong of the classical style of Persian painting under the early Safavids Yet other articles focus on the roots of book painting in the themes and styles developed in painted ceramics on medieval Qur'anic calligraphy on bookbinding and on the remarkably original variations played on the hitherto hackneyed theme of the figural frontispiece by Arab painters Two major leitmotifs are explored in this selection of essays One is provided by the constantly varying interpretations of the Shahnama The Book of Kings the Persian national epic and especially the tendency of painters to interpret this familiar text in terms of contemporary politics The other is the interplay of text and image which highlights the tendency of painters to strike out on their own and to leave the literal text progressively further behind while they develop plots and sub plots of their own These enquiries are set within the context of a concerted effort to explore in detail how Persian painters achieved their most spectacular visual effects In its combination of general surveys and closely focused analyses of individual manuscripts this collection of articles will be of interest to specialists in book painting and in Islamic art as a whole *Imaging Sound* Bonnie C. Wade, 1998 The rulers of the Mughal Empire of India who reigned from 1526 to 1858 spared no expense as patrons of the arts particularly painting and music They left as their legacy an extraordinarily rich

body of commissioned artistic projects including illustrated manuscripts and miniature paintings that represent musical instruments portraits of musicians and the compositions of ensembles These images form the basis of Bonnie C Wade s study of how musicians of Hindustan encountered and Indianized music from the Persian cultural sphere *Imaging Sound* is a contribution to many fields in its unique combination of sources and methods it is the study of musical change of image making in the past and the methodological use of images as texts in the present of the role of patronage in the Mughal Empire and of the development of South Asian culture

Lives of the Prophets Mohamad Reza Ghiasian, 2018-08-13 In *Lives of the Prophets* The Illustrations to *Hafiz i Abru s Assembly of Chronicles* Mohamad Reza Ghiasian analyses two extant copies of the *Majma al tawarikh* produced for the Timurid ruler Shahrukh r 1405 1447 The first manuscript is kept in Topkap Palace and the second is widely dispersed Codicological analysis of these manuscripts not only allows a better understanding of *Hafiz i Abru s* contributions to rewriting earlier history but has served to identify the existence of a previously unrecognised copy of the *Jami al tawarikh* produced at Rashid al Din s scriptorium Through a meticulous close reading of both text and image Mohamad Reza Ghiasian convincingly proves that numerous paintings of the dispersed manuscript were painted over the text before its dispersal in the early twentieth century
