Stockhausen and functions as a catalogue raisonnee of Stockhausen's complete output. With plentiful citations from the history of radio, film, and sound recording as well as from contemporary science and technology, the book is laid out in chronological order and contains ample commentary on the composer's sources of inspiration. Each composition is also fully documented within the text, giving full information of each work's publisher, catalog number, instrumentation, duration, and authorized compact disc. The updated edition extends the range of the volume's contents to include the twenty-five works Stockhausen composed between 2004 and his death in 2007.
