Chairside Chats with God Robert R. Edwards, 2023-10-02 As a pastor I have seen that most believers have a strong desire to hear from the Lord but many struggle in discerning His voice I am certain that the most direct way that God communicates with us is through Scripture yet many who seek to hear the Lord get discouraged with Bible reading Ironically this is the flaw in most devotional books Readers hear the author's thoughts which occasionally have little connection with the verse pasted at the top of the page What is needed is a devotional guide that gives an example of how to listen for God's voice through a structured Bible reading plan In 2018 I was counseling with a young man who was considering abandoning the Christian faith I asked him if he was reading the Bible daily and he stated that he was but that he did not get much from it I gave him a specific challenge continue reading the Bible daily but text me a verse or two that spoke to him directly He agreed and together we began sharing daily verses with each other Over time we began to share not only the verses but what exactly the Lord said through those verses Within two months this young man renewed his commitment to Christ and within six months he became one of our young adult Bible teachers Chairside Chats with God was birthed from these texts where I shared what God was saying to me through my daily Bible reading These devotionals are built around the One Year Bible reading plan but they could easily be altered to fit with any year long Bible reading schedule This devotional is not intended as a substitute for reading Scripture It is intended to show how God will speak by listening intently for His voice in His Written Word I am confident that God will use this guide to help any believer grow in faith as he or she walks through the Bible **Invisible Thorns** Tazeka Marlow, 2023-06-05 As we grow and develop in life things never turn out how we want or expect them to regardless of how much money family or friends we have We all suffer from childhood traumas in some shape form or fashion We use hate self pity and self aid to suppress feelings in our mental state and emotions in our physical state We use our free will to make decisions based off the desires of our heart mind and body but never our spirit and soul Our earthly desires cause us to be blind to the permanent pain and damage because we are so consumed with the temporary pleasures that seem to fill our empty spirits and souls We question God our self worth and our purpose because in the moment of trials and tribulations we feel alone and abandoned I m here to tell you that you are not alone and that God is working in your favor regardless of the infliction of pain that you endure It s always the things you can t see that do the most work in your life be it negative or positive In this book you will read about my walk in life and the earthly desires I chose to fill me and how accepting Christ into my life mentally physically and emotionally changed the desires of my heart and opened my eyes to the hands that were always holding mine every step of the way Conversations with God Belinda Sherell, 2020-05-26 Author entrepreneur and minister Bella Holland challenges you to acknowledge traumatic events in your life that may have cause you to live in debilitating emotional pain As you walk this journey with the guidance of the Holy Spirit you will begin to uncover secrets and patterns in your life that you did not always recognize in the past You will be motivated to turn your pain

into purpose This book moves you to be naked and vulnerable before the Father The author explores the long term effects of abuse of any kind You will embrace the importance of not having any loyalty to your abuser and choose yourself She invites you to reverently be honest with God about everything that concerns you and honor his sovereignty at the same time You will learn the power of entering God s rest We are not meant to carry all the things that we carry especially our sin the sins of others and unproductive mind sets You will become set free from the chains of abusive church leadership You will be taken through a heart purification process that will cause you to want to know God in a different way and love him in a different way You will seek to rediscover your true identity in the Father This will require the letting go of your borrowed identities You will also have to let go of everything that s familiar to you In doing so you will discover that God is worthy of trust

Lorraine Peterson, 2006-08 Since Oxford University Press s publication in 2000 of Michael Emerson and Christian Smith s groundbreaking study Divided by Faith DBF research

on racialized religion has burgeoned in a variety of disciplines in response to and in conversation with DBF This conversation has moved outside of sociological circles historians theologians and philosophers have also engaged the central tenets of DBF for the purpose of contextualizing substantiating and in some cases contesting the book s findings In a poll published in January 2012 nearly 70% of evangelical churches professed adesire to be racially and culturally diverse Currently only around 8% of them have achieved this multiracial status To an unprecedented degree evangelical churches in the United States are trying to overcome the deep racial divides that persist in their congregations Not surprisingly many of these evangelicals have turned to DBF for solutions The essays in Christians and the Color Line complicate the researchfindings of Emerson and Smith's study and explore new areas of research that have opened in the years since DBF's publication The book is split into two sections The chapters in the first section consider the history of American evangelicalism and race as portrayed in DBF In the second section the authors pick up where DBF left off and discuss how American churches could ameliorate the problem of race in their congregations while also identifying problems that can arise from such attempted The Courage To Hope Christy-ana Williams-Rutil, 2023-05-25 Christy ana Williams Rutil has encountered many challenges at such a young age the most profound was the abandonment of her father However her Christianity and her love for God gave her the courage to hope that everything will ultimately be okay Her strength comes from God She believes that there is no battle that God cannot win and no problem he cannot solve Christy's hope is that every child who is going through heartbreak after losing a parent either through death or abandonment can find rest in the arms of Jesus She believes that building a relationship with Jesus will definitely replace any pain Christy also believes that forgiveness and love is better than hate She believes whenever someone hurts you for no apparent reason you pray for them and love them You even forgive them because they do not know what they are doing People hurt people because they allow the enemy to control them We should pray that God helps them to turn from the enemy Once that person has Christ in their life they will change so they will make the right choices People without Christ are immune to wrong decisions bad behavior poor relationships and poor judgments She says You cannot hate someone who does not know better You just pray for them God Loves You Thomas Franckowiak, 2012-04 Jesus explains in His parable of the talents that your Heavenly Father God has endowed you with at least one special gift Often He has blessed you with many more His gift of love to you however is the most precious of them all If godly love is your one talent it is yours to continually refine throughout your life In order to continually grow in godly love God's Word must be your road map God Loves You Notes of His Love unearths truths about your Heavenly Father s love from Paul s description of godly love in his first letter to the Corinthians In his letter he reveals its seven qualities You will find in God Loves You Notes of His Love that each chapter is dedicated to studying a quality of love As you study each chapter you become a student of God's love You investigate for yourself how to live an entire life of continual growth in ever abounding love for your Heavenly Father God your dear ones and all humanity After you devote your entire life to

successfully studying and living godly love you will appear before your Heavenly Father God When He sees your soul beaming the seven qualities of godly love He will tell you Well done good and faithful servant You have been faithful with a few things I will put you in charge of many things Come and share your Master's happiness
