Moms Say The Funniest Things A Collection Of Motherly Wit And Wisdom:

Moms Say The Funniest Things Bruce Lansky, 1992-04-25 Bruce Lansky coauthor of Dads Say the Dumbest Things has created a delightful confection for Mother's Day. Almost every expression that moms use to educate, discipline and drive their children up the wall is in this book.

Dads Say the Dumbest Things Bruce Lansky, Ken L. Jones, 1989. Fatherly expressions so dumb they're funny. Here's the perfect gift for the father who thinks he knows everything and the family that has to put up with him. Dads Say the Dumbest Things contains all of the mindless expressions and advice that fathers offer when they can't think of anything intelligent to say like these: "I'm the boss and what I say goes," "Why? Because I say so," "Don't ask me, ask your mother," "What do you want an allowance for? When I was your age I had to work for my allowance," "Didn't we give you lunch money last week?" "How well do you know this guy who wants to take you to a drive-in movie?" "Your mother did tell you about the birds and the bees, didn't she?" "I wasn't waiting up for you, I was reading the newspaper." The book includes 23 photos of famous TV dads who have raised stupid sayings to an art form.

Mother Murphy's Law Bruce Lansky, 1986-05-02. A Brief Interview With Mother Murphy Himself. Q: How did you come up with the idea for Mother Murphy's Law? Mother Murphy: I spend a lot of time with my children and it seems that something is always going wrong. I used to think I was a klutzy daddy, then it dawned on me: 1. When I was a kid, everything my parents did was wrong. 2. Now that I'm a parent, everything I do is wrong. Q: What does Mother Murphy's Law explain? Mother Murphy: The book is pretty much a catalog of things that can go wrong as you have and raise kids. For example: If most of the baby shower gifts you receive are blue, your baby will be a girl. Your baby's diaper is wet moments after you've changed her into a clean one and leakproof diapers aren't. Your toddler knocks on your bedroom door the moment you're about to have sex or barges in unannounced at the peak of passion. Any food that's good for your child is yukky and any food that's loaded with sugar, salt and fat is yummy. Anything you say or do when you're with your teenager in public will embarrass him.

Mother Knew Best Elsa Hornfischer, David Hornfischer, 1996. How do our mothers' words shape our lives as adults? This inspiring collection features 101 true stories about the mothers of the famously successful, illustrating how their wisdom, advice, support and even discouragement touched and shaped their children's lives. This timeless book, a perfect gift and a treasury of advice for today's moms, features motherly quotations and anecdotes grouped into seven basic virtues: Ambition, Courage, Devotion, Faith, Perspective, Responsibility and Self-Discipline. We hear from the mothers of Martin Luther King Jr., "You must never feel that you are less than anybody else," Elvis Presley, "Son, take this guitar, you're not going to get a rifle," and many other moms of children we all know. The first of its kind and full of surprises, this joyous celebration of motherhood is sure to find a place in the hearts of all mothers and their children.
