Moms Paula Hagen,Vickie LoPiccolo Jennett,2000 *The Ellington Forest* Alex K. Warren,2017-11-17 There are few things more frustrating for a teenage witch than finding herself in an age old battle between good and evil Kels is no ordinary teenager and she is about to learn just how powerful she is Kels has lived her entire life sheltered in the forest with her mother Jane But when Kels comes across her moms secret past and learns the truth about herself everything changes Add a magical boy wonder and a soulless magician who wants to rule the world and Kelss world is turned upside down With three generations of Ellingtons and four stories diverging into one we come to see that life as we know it is only as revealing as we wish it to be If we dig a little deeper into our true nature that is we will find who we really are and what we are capable of doing **American Book Publishing Record** ,2001 **Meditations for Busy Moms** Sandra
