Sauer**

Monarchs The Muse Poems By The Kings And Queens Of England:

The Muse of Monarchy Terence Ian Fytton Armstrong, 1937 The Muse of Monarchy Terence Ian Fytton Armstrong, 1937 **Writing the Monarch in Jacobean England** Jane Rickard, 2015-10-08 King James VI and I's extensive publications and the responses they met played a key role in the literary culture of Jacobean England. This book is the first sustained study of how James's subjects commented upon appropriated and reworked these royal writings. Jane Rickard highlights the vitality of such responses across genres including poetry, court masque, sermon, polemic, and drama, and in the different media of performance, manuscript, and print. The book focuses in particular on Jonson, Donne, and Shakespeare, arguing that these major authors responded in illuminatingly contrasting ways to James's claims as an author-king, made especially creative uses of the opportunities that his publications afforded, and helped to inspire some of what the King in turn wrote. Their literary responses reveal that royal writing enabled a significant reimagining of the relationship between ruler and ruled. This volume will interest researchers and advanced students of Renaissance literature and history. **The Connoisseur**, 1937 **Bookseller's catalogues** Myers and Co., Ltd., 1891 **Quantitative Literary Analysis of the Works of Aphra Behn** Laura L. Runge, 2023-05-09 Aphra Behn (1640-1689), prolific and popular playwright, poet, novelist, translator, has a fascinating and extensive corpus of literature that plays a key role in literary history. *Quantitative Literary Analysis of the Works of Aphra Behn: Words of Passion* offers what no book has done to date: an analysis of all Behn's literary output. It examines the author's use of words in terms of frequencies and distributions and stacks the words in context to read Behn's word usage synchronically. Using this experimental method, the book brings digital humanities into literary criticism to enhance our understanding and appreciation of literature beyond what is possible in diachronic reading and scholarship less supported by digital means. The empirical approach works in collaboration with existing scholarship to understand Behn's distinct language of love and extreme passions across her genres. *English Women's Poetry, 1649-1714* Carol Barash, 1996 This is the first study to reconstruct the political origins of English women's poetry between the execution of Charles I and the death of Queen Anne. Carol Barash's book shows that between Katherine Philips (1632-64) and Anne Finch, Countess of Winchelsea (1661-1720), an English women's poetic tradition developed as part of the larger political shifts in these years, and particularly in women writers' fascination with the figure of the female monarch. Writers discussed include Aphra Behn, Katherine Philips, Anne Killigrew, Jane Barker, and Anne Finch. Based on extensive archival research in England and the United States, *English Women's Poetry, 1649-1714* argues that ideas about women's voices and women's communities were crucial to the shaping of an English national literature after the civil wars. Women enter print culture as poets and as women by situating their writing in defence of embattled monarchy. Women poets are especially fascinated with the figure of the female monarch, both real and mythic. Their sense of poetic legitimacy derives from the communities they generate around figures of female authority, particularly James II's second wife Mary of Modena and later Queen Anne. Library of Congress

Catalogs Library of Congress,1976 Literature and the Monarchy Ewa Panecka,2014-03-25 This book examines the Laureateship as an exponent of complex relations between literature and the Monarchy and defines the nature and mode of existence of laureate poetry in England from the Restoration up to the present day With the Monarchy seen as a long lasting foundation of Englishness the institution of Poet Laureateship provides a symbolic component of national identity an official link between literature culture and the Monarchy **Library of Congress Catalog** Library of Congress,1970 A cumulative list of works represented by Library of Congress printed cards Lives of the Queens of England Agnes Strickland,1885

Patriotism and Poetry in Eighteenth-Century Britain Dustin Griffin,2005-11-17 The poetry of the mid and late eighteenth century has long been regarded as primarily private and apolitical in this wide ranging study Dustin Griffin argues that in fact the poets of the period were addressing the great issues of national life rebellion at home imperial wars abroad an expanding commercial empire an emerging new British national identity Taking up the topic of patriotic verse Griffin shows that poets such as Thomas Gray Christopher Smart Oliver Goldsmith and William Cowper were engaged in the century long debate about the nature of true patriotism **The History of British Women's Writing, 1610-1690 M.**

Suzuki,2011-01-19 During the seventeenth century in response to political and social upheavals such as the English Civil Wars women produced writings in both manuscript and print This volume represents recent scholarship that has uncovered new texts as well as introduced new paradigms to further our understanding of women s literary history during this period

The Children of Henry VIII Alison Weir,2011-09-21 Fascinating Alison Weir does full justice to the subject The Philadelphia Inquirer At his death in 1547 King Henry VIII left four heirs to the English throne his only son the nine year old Prince Edward the Lady Mary the adult daughter of his first wife Katherine of Aragon the Lady Elizabeth the teenage daughter of his second wife Anne Boleyn and his young great niece the Lady Jane Grey In this riveting account Alison Weir paints a unique portrait of these extraordinary rulers examining their intricate relationships to each other and to history She traces the tumult that followed Henry s death from the brief intrigue filled reigns of the boy king Edward VI and the fragile Lady Jane Grey to the savagery of Bloody Mary and finally the accession of the politically adroit Elizabeth I As always Weir offers a fresh perspective on a period that has spawned many of the most enduring myths in English history combining the best of the historian s and the biographer s art Like anthropology history and biography can demonstrate unfamiliar ways of feeling and being Alison Weir s sympathetic collective biography The Children of Henry VIII does just that reminding us that human nature has changed and for the better Weir imparts movement and coherence while re creating the suspense her characters endured and the suffering they inflicted The New York Times Book Review **The subject of Britain, 1603-25** Christopher Ivic,2020-11-03 The subject of Britain analyses key seventeenth century texts by Bacon Jonson and Shakespeare within the context of the English reign of King James VI and I whose desire to create a united Britain prompted serious reflection on questions of nationhood This book traces writing on Britain and Britishness in succession literature panegyric

Union tracts and treatises play texts and atlases Focusing on texts printed in London and Edinburgh as well as manuscript material that circulated within and across Britain and Ireland this book sheds valuable light on texts in relation to the wider geopolitical context that informed their production Combining literary criticism with political analysis and book history The subject of Britain offers a fresh approach to a significant moment in British history and will appeal to postgraduates and undergraduates of early modern British literary history

Dryden and Enthusiasm John West, 2018-01-25 In Dryden's writing enthusiasm is a source of literary authority It signals divinely inspired literary creativity It is central to Dryden's theoretical defences of the relationship between literature and the passions It is also crucial to his poetic practice in a variety of genres from odes to religious poems to translations Enthusiasm for Dryden ultimately enables literature to break into regions of knowledge beyond rational human comprehension Yet after the rise of radical sectarianism in the 1640s and 1650s where claims of inspiration legitimised challenges to established political authority enthusiasm also carried dangerous theological and political connotations In Dryden's writing enthusiasm is thus also a pejorative term It is used to attack political radicals and religious dissenters In the aftermath of the Civil Wars it is at the root of many perceived threats to the stability of the Restoration state This book explores the paradoxical place of enthusiasm in Dryden's writing and the role he conceived for it in art and society after the violent upheavals of the mid seventeenth century Works from across his oeuvre are explored from his early essays and heroic plays to his translations via new readings of his famous political and religious poems These are read alongside other major writers of the period like Milton and less well known authors such as John Dennis The book suggests new ways of conceptualising the relationship between literary practice and ideological allegiance in Restoration England It reveals Dryden to be a writer who was consistently interested in the limits of what literature could express what feelings it could provoke and what it could make people believe at a time when such questions were of uncertain political importance

Women's Bookscapes in Early Modern Britain Leah Knight, Micheline White, Elizabeth Sauer, 2018-11-08 Women in 16th and 17th century Britain read annotated circulated inventoried cherished criticized prescribed and proscribed books in various historically distinctive ways Yet unlike that of their male counterparts the study of women's reading practices and book ownership has been an elusive and largely overlooked field In thirteen probing essays Women's Bookscapes in Early Modern Britain brings together the work of internationally renowned scholars investigating key questions about early modern British women's figurative material and cultural relationships with books What constitutes evidence of women's readerly engagement How did women use books to achieve personal political religious literary economic social familial or communal goals How does new evidence of women's libraries and book usage challenge received ideas about gender in relation to knowledge education confessional affiliations family ties and sociability How do digital tools offer new possibilities for the recovery of information on early modern women readers The volume's three part structure highlights case studies of individual readers and their libraries analyses of readers and readership in the context of their

interpretive communities and new types of scholarly evidence lists of confiscated books and convent rules for example as well as new methodologies and technologies for ongoing research These essays dismantle binaries of private and public reading and writing female and male literary engagement and production and ownership and authorship Interdisciplinary timely cohesive and concise this collection s fresh revisionary approaches represent substantial contributions to scholarship in early modern material culture book history and print culture women s literary and cultural history library studies and reading and collecting practices more generally

The Complete Poetry and Essential Prose of John Milton John

Milton,2009-10-28 John Milton is next to William Shakespeare the most influential English poet a writer whose work spans an incredible breadth of forms and subject matter The Complete Poetry and Essential Prose of John Milton celebrates this author s genius in a thoughtfully assembled book that provides new modern spelling versions of Milton s texts expert commentary and a wealth of other features that will please even the most dedicated students of Milton s canon Edited by a trio of esteemed scholars this volume is the definitive Milton for our time In these pages you will find all of Milton s verse from masterpieces such as Paradise Lost widely viewed as the finest epic poem in the English language to shorter works such as the Nativity Ode Lycidas A Masque and Samson Agonistes Milton s non English language sonnets verses and elegies are accompanied by fresh translations by Gordon Braden Among the newly edited and authoritatively annotated prose selections are letters pamphlets political tracts essays such as Of Education and Areopagitica and a generous portion of his heretical Christian Doctrine These works reveal Milton s passionate advocacy of controversial positions during the English Civil War and the Commonwealth and Restoration periods With his deep learning and the sensual immediacy of his language Milton creates for us a unique bridge to the cultures of classical antiquity and medieval and Renaissance Christianity With this in mind the editors give careful attention to preserving the vibrant energy of Milton s verse and prose while making the relatively unfamiliar aspects of his writing accessible to modern readers Notes identify the old meanings and roots of English words illuminate historical contexts including classical and biblical allusions and offer concise accounts of the author s philosophical and political assumptions This edition is a consummate work of modern literary scholarship

The New English Weekly ,1937

Anne Bradstreet in Context Ann Beebe,2025-07-30

The collection The Tenth Muse Lately Sprung Up in America by Anne Bradstreet the first book of poetry published by a permanent resident of colonial America appeared in 1650 thanks to the support of Bradstreet s brother in law By this time she had immigrated to New England with her husband given birth to seven of her eight children settled on her fifth and final homestead and gained access to a network of influential Puritan leaders via the various positions held by her father husband brothers and brothers in law within the Massachusetts Bay Colony government This study of Bradstreet explores the literary religious political social and familial contexts of colonial America that shaped her life and work Bradstreet embraced her identity as a poet of her time drawing inspiration from earlier writers as well as her contemporaries who used a common set of stylistic conventions to explore

themes of love faith loss and mortality Given the scarcity of recent scholarship on Bradstreet this book is designed as a versatile resource a blend of biography literary analysis history genealogy reference and textbook that situates Bradstreet s poetry within the greater context of the seventeenth century

The Enthralling World of E-book Books: A Detailed Guide Unveiling the Pros of Kindle Books: A World of Ease and Flexibility
