Monarchy In Nepal Tribhuvan Era Imprisonment To Glory:

Monarchy in Nepal Kusum Shreshtha, 1984 *Monarchy in Nepal*, 1984 **World Monarchies and Dynasties** John Middleton, 2015-06-01 Throughout history royal dynasties have dominated countries and empires around the world Kings queens emperors chiefs pharaohs czars whatever title they ruled by monarchs have shaped institutions rituals and cultures in every time period and every corner of the globe The concept of monarchy originated in prehistoric times and evolved over centuries right up to the present Efforts to overthrow monarchies or evade their rule such as the American French Chinese and Russian revolutions are considered turning points in world history Even today many countries retain their monarchies although in vastly reduced form with little political power One cannot understand human history and government without understanding monarchs and monarchies This fully illustrated encyclopedia provides the first complete survey of all the major rulers and ruling families of the world past and present No other reference work approaches the topic with the same sense of magnitude or connection to historical context Arranged in A Z format for ease of access *World Monarchies and Dynasties* includes information on major monarchs and dynasties from ancient time to the present This set includes overviews of reigns and successions genealogical charts and dynastic timelines addresses concepts problems and theories of monarchy provides background and information for further research highlights important places structures symbols events and legends related to particular monarchs and dynasties includes a master bibliography and multiple indexes **The Challenge to Democracy in Nepal** T. Louise Brown, 2002-11 A history of Nepal from the Medieval Early Modern period through to the present day with particular attention to contemporary Nepal and the prospects for democracy *Human Rights in Development, Volume 8* Martin Scheinin, Markku Suksi, 2021-11-29 The current edition of *Human Rights in Development* is the fourteenth in the series Over the years the structure of the yearbook has shifted from that of a journal to a thematic anthology The theme of this year's volume is Empowerment Participation Accountability and Non Discrimination Operationalising a Human Rights Based Approach to Development The *Human Rights in Development* Yearbook series takes its starting point in a development perspective and aims to be topical comprehensive and multidisciplinary exemplifying the cross fertilisation of theoretical and practical approaches Contributions are sought from researchers and practitioners in both recipient and donor countries To ensure an increased focus on Southern perspectives the editorial group is in a process of enlargement so as to include representatives from recipient countries *Human Rights in Development* is the result of a joint research project born out of longstanding cooperation between the following research institutes and centres for human rights the Christian Michelsen Institute Bergen the Danish Institute for Human Rights Copenhagen the Icelandic Human Rights Center Reykjavik the Ludwig Boltzmann Institute of Human Rights Vienna the Netherlands Institute of Human Rights Utrecht the Norwegian Centre for Human Rights Oslo the Raoul Wallenberg Institute of Human Rights and Humanitarian Law Lund and the Åbo Akademi University Institute for Human Rights Turku Åbo As in previous years the publication is aimed

at a broad audience including government agencies donor agencies embassies the press non governmental organisations and the academic community

Demoting Vishnu Anne T. Mocko,2015-12-01 At the turn of the millennium Nepal was the world's last remaining Hindu kingdom Even the most skeptical of observers could hardly imagine that the institution of the monarchy could soon be in jeopardy In 2001 however Nepal's popular King Birendra was killed in the royal palace Though the crown passed to his brother Gyanendra the monarchy would never fully recover Nepal witnessed an anti king uprising in April 2006 and over the course of two years an interim administration systematically took over all the king's duties and privileges Most decisively beginning in the summer of 2007 the government began blocking the king from participating in his many public rituals sending the prime minister in his place instead Demoting Vishnu argues that Nepal's dramatic political transformation from monarchy to republic was contested and in key ways accomplished through ritual performance Mocko theorizes the role of public ritual in producing Nepal's state ideology She examines how royal ritual once authorized kings to serve as the privileged apex of national governance and shows how in the twenty first century those rituals stopped serving the king and began instead to authorize rule by a party based head of state By co-opting state ritual the king's opponents were able to attack the monarchy's social identity at its foundations enabling the final legal dissolution of kingship in 2008 to take place without physically harming the king himself All once royal rituals continue to be performed but now they are handled by the country's president a position created in 2008 to take over state ceremonial functions Demoting Vishnu illustrates how upheaval in ritual contexts undermined the institutional logic of the monarchy by demonstrating in very public ways that kingship was contingent opposable and ultimately dispensable
