## **Monastic Journey:**

The Monastic Journey Thomas Merton,1977 The writings of Thomas Merton on the monastic journey *Monastic Perspectives on Temporality* Riitta Hujanen,2023-08-07 In this book Riitta Hujanen explores temporality in the context of Catholic enclosed contemplative traditions It investigates based on literature and other sources what enclosed contemplatives might say about temporality through their monastic journeys What makes a young person decide to dedicate their life inside a cloister Do contemplatives have a preference for eternity over temporal time How does the enclosed contemplative life impact one's concept of time How is time perceived towards the end of one's monastic journey What is seen when looking back to the years in the enclosed contemplative life What is experienced at the hour of death The answers to these questions illustrate a paradoxical dynamic in monastic journeys that cover a broad historical scope from the earliest monastic writers to contemporary sources

**The Life of the Vows** Thomas Merton,2012 As novice master of the Cistercian Abbey of Our Lady of Gethsemani in Kentucky Thomas Merton presented weekly conferences to familiarize his charges with the meaning and purpose of the vows they aspired to undertake In this setting he offered a thorough exposition of the theological canonical and above all spiritual dimensions of the vows Merton set the vows firmly in the context of the anthropological moral soteriological and ecclesial dimensions of human Christian and monastic life He addressed such classical themes of Christian morality as the nature of the human person and his acts the importance of justice in relation to the Passion of Christ to friendship and to love and self surrender as the key to grace prayer and the vowed life Merton's words on these topics clearly spring from a committed heart and often flow with the soaring intensity of style that we have come to expect in his more enthusiastic prose The texts of these conferences represent the longest and most systematically organized of any of numerous series of conferences that Merton presented during the decade of his mastership They may be the most directly pastoral work Merton ever wrote *New Monasticism* Rory McEntee,Adam Bucko,2015-03-31 **A**

**Monastic Introduction to Sacred Scripture** Thomas Merton,2022-10-27 Thomas Merton gave numerous conferences during his decade 1955-1965 as novice master at the Cistercian Abbey of Gethsemani In *A Monastic Introduction to Sacred Scripture* Patrick F O Connell presents one of these a wide ranging introduction to biblical studies Drawing on church tradition teaching of recent papal documents and scholarly resources of the time Merton reveals the central importance of the Scriptures for the spiritual growth of his listeners For Merton at the heart of any meaningful reading of the Scriptures not only for monks but for all Christians is the invitation to respond not just intellectually but with the whole self to recognize the gospel as good news as a saving liberating consoling challenging word reflecting his fundamental belief that the Holy Spirit enlightens us in our reading to see how our own lives are part of these great mysteries how we are one with Jesus in them O Connell's extensive introduction situates this reflection in the context of Merton's evolving engagement with the Bible from his own days as a student monk through the mature reflections from his final years on the biblical renewal in the

Piedmont, 2005-12-01 Research in the Social Scientific Study of Religion RSSSR publishes reports of innovative studies that pertain empirically or theoretically to the scientific study of religion including spirituality regardless of their academic discipline or professional orientation The articles included in this volume report studies on the role of religion and spirituality in relationship to many topics of current popular interest among them well being self esteem emotional intelligence substance abuse social mobility positive psychology coping with medical decision making and images of God      Lovers of the Place Francis Kline, 2012 Originally published Collegeville Minn Liturgical Press c1997 With new foreword      **Thomas Merton and the Noonday Demon** Donald Grayston, 2015-05-19 How did Thomas Merton become Thomas Merton Starting out from any one of his earlier major life moments wealthy orphan boy big man on campus fervent Roman Catholic convert new and obedient monk we find ourselves asking how by his life s end he had grown from who he was then into a transcultural and transreligious spiritual teacher read by millions This book takes another such starting point his attempt in the mid 1950s to move from his abbey of Gethsemani in Kentucky a place that had become in his view noisy beyond bearing to an Italian monastery Camaldoli which he idealized as a place of monastic peace The ultimate irony Camaldoli at that time bucolic and peaceful outwardly was inwardly riven by a pre Vatican II culture war whereas Gethsemani which he tried so hard to leave became when he was given his hermitage there in 1965 his place to recover Eden In walking with Merton on this journey and reading the letters he wrote and received at the time we find ourselves asking as he did with so much energy and honesty the deep questions that we may well need to answer in our own lives      Liturgical Feasts and Seasons Thomas Merton, 2023-11-30 Liturgical Feasts and Seasons in this third volume of paper from Thomas Merton s conferences during his decade 1955 1965 as novice master at the Cistercian Abbey of Gethsemani his insight into the liturgical pattern of the Christian year and beyond is presented in fresh detail Merton s own commitment to this central dimension of Christian life is clear and nowhere more so than in his work introducing students to the patterns that would mark their lives as monks Though dating from the period just before the liturgical reforms of Vatican II Merton s commentaries remain pertinent The

thoroughly annotated text is preceded by an extensive introduction situating this material in the context of Merton's lifelong writing on liturgy. Moreover, as his former student Br Paul Quenon notes in his foreword, this context is one deeply rooted in Merton's understanding of Scripture. These notes take us into one man's lifetime of reflection and seasoned experience of the Church Year. deeply rooted in Merton's understanding of Scripture      **Dictionary of World Monasticism** Steven Olderr, 2020-07-21 The roots of monasticism may go back as far as 1700 BCE to ascetic practices in ancient India. Since that time, the monastic world has naturally developed its own extensive and distinct vocabulary. Countless volumes have been written on monasticism, yet many do not clearly define obscure or vernacular terms. Some terms may be found in standard dictionaries, but without in-depth explanations. This first comprehensive dictionary, not a proselytizing work but a reference with historical and biographical focus, fills the gap with a worldwide scope covering not only Christianity but all faiths that have monastic traditions, including but not limited to Buddhism, Jainism, and Hinduism.

Polytheistic Monasticism Janet Munin, 2022-03-25 Polytheistic Monasticism: Voices From Pagan Cloisters is an anthology of writings from the forefront of the first wave of experimental monastic spirituality in the modern polytheist animist revival. In this groundbreaking anthology, contemplative practitioners tell their stories of exploring classic monastic disciplines such as eremitic life, asceticism, retreat, service, and simplicity.

Thomas Merton's Encounter with Buddhism and Beyond Jaechan Anselmo Park, 2019-03-07 Thomas Merton recognized the value and possibility of contemplative dialogue between monastics and contemplatives of other religious traditions and hoped that through such dialogue, monastics would strive for inter-monastic communion and a bonding of the broader spiritual family. He held out hope that this bond would demonstrate the fundamental unity of humanity to a world that was becoming ever more materialistic and divided. Among other themes and topics, this book explores Thomas Merton's role as a pioneer of Buddhist-Christian dialogue and monastic interreligious dialogue. It delves into the process of Merton's self-transformation through contemplative experiences, explores his encounter with Zen and Tibetan Buddhists, and his pioneering engagements in Buddhist-Christian dialogue. It presents and responds to the criticisms of those who raise questions about Merton's understanding of Buddhism. Fr Jaechan Anselmo Park OSB articulates and analyzes the influences of Buddhist theory and practice on Thomas Merton's contemplative spirituality and shows how Merton's legacy has influenced and continues to inspire interreligious and inter-monastic dialogue, particularly in an Asian monastic context.

**In Search of the Healing Spirit** Nass Cannon Jr., 2023-06-29 The late Dr Nass Cannon Jr MD was a physician for the indigent poor for over forty years and an internationally renowned scholar of the theologian and monk Thomas Merton. In Search of the Healing Spirit follows a narrative arc across several essays of Dr Cannon's analysis and reflections on life and Thomas Merton's theological contributions. First articulated by Dr Cannon at the outset of his journey to serve the poor, the guiding principle of the book is an exploration of what it means to be broken and called to heal each other, ourselves, and the

world As Dr Cannon writes I am a physician who views his root identity as one called to heal Yet I experience myself as broken as one admonished by the phrase Physician heal thyself Perhaps you too experience yourself as a broken healer Let us together explore some notions regarding the healer as broken examine the nature of healing and consider the relationship of the healer to one healed From this position as a broken healer which implicitly embodies Merton s contemplative spirituality Dr Cannon s meditations over the course of his life of service increasingly weave in Merton s contributions in search of the true self on such pressing and universal topics as grief and loss the eternal nature and healing power of love and to do what we can for each other with the time we are given Dr Cannon s writings engage a twenty first century audience with insights drawn from fifty years of study that can aid lay persons clergy and academics to better understand what it means to be a broken person and through that brokenness to heal themselves and the world **Mapping Medieval**
