Bede Griffiths Brother Wayne Teasdale, 2012-10-18 One of today's foremost mystics introduces readers to the thought of one of the most important spiritual teachers of the past century Bede Griffiths English Benedictine monk and lifelong friend of C S Lewis who was his tutor at Oxford wrote in 1955 to a friend I'm going out to India to seek the other half of my soul There he explored the intersection of Hinduism and Christianity and was a driving force behind the growth of interspiritual awareness so common today yet almost unheard of a half century ago Wayne Teasdale a longtime personal friend and student of Griffiths provides readers with an intriguing view into the thoughts beliefs and life of this champion of interreligious acceptance and harmony This volume is the first in depth study of Bede Griffiths contemplative experience and thought Fully exploring the antecedents and development of Griffiths theory that the Christian mystery can be expressed through the worldview of Hinduism Bede Griffiths An Introduction to His Interspiritual Thought is a vital starting point for any spiritual seeker who wants to understand the shared territories of these two great faiths Beyond Measure Isaac Slater, 2020-02-13 Bernard continually returns to the classical idea that the quality of desire shapes theological imagination By attending to the multiple ways he develops and applies this insight Beyond Measure uncovers a new depth of organic unity to the literary philosophical and theological strands densely interwoven through his writings Bernard's apparent iconoclasm with respect to art affectivity and the humanity of Jesus is revealed as an alternative mystical aesthetic congruent with his program for monastic reform The central movement of Cistercian spirituality from the carnal to the spiritual is shown not to elide but to recapitulate the carnal in higher spiritual expression Further this approach provides fresh understanding of the ways in which Bernard is at once last of the fathers and first of the moderns In particular a careful reading of works by Julia Kristeva and Jean Luc Marion on Bernard reveals both the enduring brightness and vitality of his writing and the relevance of his work for people today **The American Benedictine Review**, 1988 **Proceedings of the Battle Conference 1985** Reginald Allen Brown, 1986 Proceedings of the Battle Conference 1985 Forthcoming Books Rose Arny, 1990 **Annual Index to the Financial Times**, 1985 Religion Index One, 1999 **A Benedictine Reader** Hugh Feiss, OSB, Maureen M.
