Monday Manna:

Monday Manna Ami Rushes, 2012-07-23 What started out as a weekly blog on Ami Rushes website and Facebook page has turned into a book designed to bring encouragement comfort and hope Monday Manna Spiritual Nuggets to Start Your Week is a weekly devotional designed to give people something to think about as they go about their week God has done so much in Rushes life and she is thrilled to give back and share with others through ministry music and now Monday Manna The biggest lesson she has learned through her journey is that God is bigger than we think He is even in those situations that are so dire and so bleak As with all her endeavors Rushes will donate a portion of the proceeds from the sales of Monday Manna to Save Africa's Children an organization founded by Bishop Charles E Blake that provides support to orphanages throughout sub Saharan Africa Monday Manna , Adventist Heritage of Health, Hope, and Healing William C. Andress, 2013-11 In mid 1800s America in a milieu where thousands were dying prematurely from tuberculosis dysentery yellow fever cholera diphtheria smallpox and even malaria God raised up a people with a salvific message both physically and spiritually In Adventist Heritage of Health Hope and Healing readers will be spellbound by stories of The fledgling Western Health Reform Institute which became the largest health care institute of its kind The 5 000 miracle that led to the founding of Loma Linda University Medical Center one of the nation's premier medical facilities in southern California The China Doctor Grandma Whitney and the humble academician with three doctorate degrees who have influenced thousands through an integration of practical religion and health The prophetic Comprehensive Health Vision that outlines a 10 step program for adding years to your life In this book Dr Andress explores little known historical connections that coalesce into a persuasive case for a Christian theology of healing and wellness Throughout the book personal anecdotes and illustrations provide a vivid and tangible portrait of a man seeking to better understand and live out the divine plan for health of body mind and soul A compelling work John Wesley Taylor V Ph D Professor of education philosophy and research Southern Adventist University If The health should be as sacredly guarded as the character Child Guidance page 342 then this volume is as valuable as any work in theology It is the heritage of all God's children to be healthy Arthur Mallon teacher author and evangelist Gospel Medicine Barbara Brown Taylor, 1995-02-25 Gospel medicine is Barbara Taylor's metaphor for the healing power of God seen in the active and ongoing restoration of this broken world In this new collection of sermons she practices the old fashioned art of gospel home remedies like a true evangelist summoning with piercing clarity and wit the Old and New Testament stories that have the power to mend our spirits strengthen our weaknesses and restore us to wholeness Scripture comes to life in the contemporary people and places of which Taylor speaks Georgia apple growers become God's sharecroppers of the gospel parable through Mary's embracing of her role as God bearer we are dared to take risks in our own discipleship in Jonah's angry stand off with God we see reflections of our own struggles with a God who is more forgiving than we want him to be with tender awe after years of waiting Sarah wipes her hands on her apron and goes
