The Monday Morning Church Jerry Cook, 2010-06-15 Fired by the passion to take the message of the gospel beyond the walls of the church Jerry Cook challenges Christians to reconsider their role in society Jerry Cook emphasizes that the church on Monday operates in the experience of the non believer where the greatest impact for God can occur He encourages Christians to consider themselves strategically placed by Jesus Christ to go to the non believer rather than having them come to God Drawing from the book of Ephesians he challenges traditional thinking of how ministry occurs and what the church should be while presenting an exciting new paradigm of living for Christ *Monday Morning Jesus* Joseph Moore, 1984

Christianity? Frank Viola, George Barna, 2010-09-30 Have you ever wondered why we Christians do what we do for church every Sunday morning Why do we dress up for church Why does the pastor preach a sermon each week Why do we have pews steeples and choirs This ground breaking book now in affordable softcover makes an unsettling proposal most of what Christians do in present day churches is rooted not in the New Testament but in pagan culture and rituals developed long after the death of the apostles Coauthors Frank Viola and George Barna support their thesis with compelling historical evidence and extensive footnotes that document the origins of modern Christian church practices In the process the authors uncover the problems that emerge when the church functions more like a business organization than the living organism it was created to be As you reconsider Christ s revolutionary plan for his church to be the head of a fully functioning body in which all believers play an active role you ll be challenged to decide whether you can ever do church the same way again

Giving Christianity a Bad Name Michael Walker, 2018-07-19 Giving Christianity a bad name is a tale of a young mans journey into finding the truth about the real agenda s of modern churches It despels myths and deception from spiritual leaders who are pushing their own brand to make the Bible fit their desired outcome This books also gives facts based on research and some personal opinions by the author about Christianity in general This book is designed to open your mind and
