Congressional Record United States. Congress, 1969 Nightman James D. Pendleton, Jerome Johnson, 2004-06 Co authored by white university creative writing professor James Pendleton and a black writer Jerome Johnson this is the life of Braxton Bragg a black man in the capital of the modern Confederacy and great grandson of a white Confederate general Despite the apparent dullness of his job what he faces behind locked doors ranges from the embarrassing to the life threatening Braxton's dark sometimes humorous commentary exposes the seamy underbelly of this Southern city as well as the secret sins of the elite and takes us through ten days of mystery danger and surprise *San Francisco Daily Times*, 1918

The Spyglass Tree Albert Murray, 1992-10-27 By our premier writer about jazz and the blues and a fictional tale spinner in the grand Southern tradition Washington Post Book World The Spyglass Tree is a deeply affecting novel of elegant lyrical reminiscence and profound sophistication about a young black man's advent into the world of academia an imaginary Alabama college in the 1930s Amidst the excitement of the world of ideas and adventures with new friends Scooter sallies into the territory of the blues where recollection becomes legend Here he learns to deal with the vicissitudes of life the complexities of family ties and camaraderie his sexuality pride of excellence in school the darker realities of history and human passion through confrontation and improvisation and with style and courage The Spyglass Tree strikes a perfect balance between the black folk tradition and Faulknerian rumination One reads this very fine novel for the glissando effect of its language the vibrancy of its characters and the unabashed pleasure Mr Murray takes in nostalgia for its own sake with level headed clarity and honesty The New York Times Book Review
