disciples The pressure to conform to society and submit to its relaxed morality seems to increase daily in the workplace in our homes and even in many of our churches Some Christians have reacted aggressively to these pressures and in their zeal and passion have moved away from the love and compassion necessary to be effective servants of Christ Others have retreated into their churches or fellowships hunkering down to weather the storm but unsure what actions to take They are just trying to survive but have lost their ability to be the salt and light that this world so desperately needs Biblical Christians everywhere are in desperate need of a revival of true holiness This begins with our own personal walk with God One of the overwhelming needs of believers today is to recapture what the core of Christianity is having a vibrant consistent and personal relationship with God Cultivating a Holy Heart is a daily devotional which can help point us in the right direction This book will give you simple and sound biblical principles to apply to your own personal walk with God and to inspire you to true practical holiness
