wave of terrorist attacks begin to occur across the country. Sleeper cells are being awakened, likely by the leader of the Cause who has recently escaped from captivity and is coordinating attacks not only on America but also on Riley and his loved ones. As Jim Hicks, Scott Ross, and the rest of the Counterterrorism Division follow leads in Europe, Riley goes on the offensive to draw out his attackers. But can the Cause be stopped before they're able to reach their ultimate goal? 3. Blackout Riley Covington is still reeling from his father's brutal murder when he learns he's been traded. Meanwhile, the counterterrorism division has detected a plot to detonate electromagnetic pulse bombs that could leave the U.S. without power, communications, and transportation, right down to dropping planes out of the sky. CTD scrambles to stop the attacks, but they run out of time. Amid the fallout, Riley, Scott, Skeeter, and CTD must regroup to make sure the second bomb doesn't reach its destination. 4. Inside Threat After taking two football seasons off, Riley Covington is attempting to make a comeback in the league while trying to forget Khadi Faroughi, now on security detail for a prominent senator. But a new attack turns both of their lives upside down yet again. During a state funeral, terrorists overrun the National Cathedral and take senators, congressmen, and their entourages hostage, including Khadi. This new generation of The Cause is made up of homegrown terrorists, an inside threat to the security of the nation. They release most of the hostages, but Khadi and several others are kept behind as significant bargaining chips. The Cause pledges to behead one member of Congress each day throughout the month of Ramadan as a punishment for their own country's rejection of Islam. Despite the protests of the Counterterrorism Division director Scott Ross, Riley races to CTD, armed with a plan and a fierce determination to rescue Khadi at all costs.
