[African Human Rights Yearbook / Annuaire africain des droits de l'homme 3 \(2019\)](#), 2019-01-01 About the publication The African Charter on the Rights and Welfare of the Child African Children s Rights Charter is the continental instrument for protecting and promoting the rights and welfare of the Child The Children s Charter adopted in 1990 forms part of the salient features of the African human rights system complementing the parent human rights instrument the African Charter on Human and Peoples Rights African Charter To give meaning and effect to its provisions the African Children s Rights Charter in article 34 establishes an organ namely the African Committee of Experts on the Rights and Welfare of the Child African Children s Rights Committee or Committee to monitor implementation by member states to advocate for children s rights and to hold state parties accountable to their obligations as state parties Working collaboratively on the continent s human rights system the organs comprising the African human rights namely the African Commission on Human and Peoples Rights Commission the African Court on Human and Peoples Rights Court and the African Children s Rights Committee have undertaken to publish the African Human Rights Yearbook This is an instrumental platform to highlight the mandate of the organs to foster collaboration and to illustrate Africa s commitment to uphold human rights It is an important initiative that highlights various aspects of the norms and institutions relevant for human rights on the continent This is the third volume of the Yearbook It includes a focus on the 2019 theme of the African Union Refugees Returnees and Internally Displaced Persons Towards Durable Solutions to Forced Displacement in Africa The African Children s Committee has at the same time undertaken and published a study on Children on the Move 2019 focusing not

only on refugees detainees and internally displaced persons but also drawing inspiration from the protective mandate of the African Children's Rights Charter to draw the continent's attention to the protection and promotion of the rights and welfare of children who are on the move. The focus on themes of the African Union enables a critical analysis of the extent of their implementation and relevance to the human rights discourse in the continent. Furthermore the special focus of the Yearbook on various groups of people in vulnerable situation such as children and women signals the need to enhance their protection and prioritise their plight. The role of academic writing in advancement of human rights deserves due notice and appreciation by human rights implementing bodies. Peer reviewed academic research provides credible and independent knowledge about human rights in a specific country or region as well as in various contexts and thematic areas. Academia plays a major role in the development of a human rights resource base that enables sustainable enhancement of human rights protection and promotion. The African Human Rights Yearbook is an excellent example of the important role played by academia in strengthening human rights protection and promotion in Africa. The breadth of knowledge enveloped in the Yearbook is evidenced by the long list of highly established scholars that informed it. By questioning and analysing the institutional architecture and the work of the three human rights bodies the Yearbook has an invaluable role of ameliorating their functioning as a collective system. For this reason it is critical that the Committee Commission and Court take note of the various recommendations stemming from the research and apply them when relevant for better protection and promotion of human rights in Africa.

Mrs Goitseone Nanikie Nkwe Chairperson of the African Committee of Experts on the Rights and Welfare of the Child La Charte africaine des droits et du bien être de l'enfant Charte des droits de l'enfant est l'instrument central en matière de protection et de promotion des droits et du bien-être de l'enfant en Afrique. Adoptée en 1990, elle fait partie intégrante des instruments clés du système africain des droits de l'homme et complète cet effet la Charte africaine des droits de l'homme et des peuples le traité fondateur du système africain des droits de l'homme. Pour mieux protéger les droits des enfants, le Comité africain d'experts sur les droits et le bien-être de l'enfant fut créé à travers l'article 34 de la Charte des droits de l'enfant. Cet organe a pour mission de surveiller et de contrôler l'application et la mise en œuvre de la Charte. Il veille que les Etats respectent et rendent compte de la mise en œuvre des obligations qui leur incombent en vertu de la Charte. Travailant en étroite collaboration dans le cadre de la protection des droits de l'homme en Afrique, la Commission africaine des droits de l'homme et des peuples, la Cour africaine des droits de l'homme et des peuples et le Comité africain d'experts sur les droits et le bien-être de l'enfant ont mis en place l'Annuaire africain des droits de l'homme. Cette initiative sert d'opportunité pour promouvoir les missions d'objectifs auxdits organes, renforcer les liens de collaboration entre eux et rappeler l'engagement pris par l'Afrique afin de protéger les droits humains. L'Annuaire est une initiative importante car elle met en exergue les différents aspects normatifs et institutionnels des droits de l'homme en Afrique. Ce troisième volume de l'Annuaire est destiné au thème que l'Union africaine a retenu pour l'année 2019 : Année des réfugiés et des personnes déplacées.

Vers des solutions durables aux déplacements forcés en Afrique En parallèle le Comité a entrepris et publi une cartographie des enfants en mouvement en Afrique 2019 axée sur les réfugiés les détenus et les déplacés internes Tirant ses fondements du mandat de protection que confère la Charte des droits de l'enfant la cartographie attire l'attention du continent sur la protection et la promotion des droits et du bien-être des enfants en mouvement L'emphase sur les thémes de l'Union africaine dans l'Annuaire permet d'examiner le degré de leur mise en œuvre et leur importance au débat sur la question des droits de l'homme en Afrique Par ailleurs l'accent mis sur les catégories et groupes en situations de vulnérabilité dont les enfants et les femmes sont traités n'a cessé de renforcer leur protection et de prioriser leur fortune Les organes de protection des droits de l'homme devraient reconnaître sa juste valeur le rôle que jouent les travaux scientifiques dans la promotion des droits de l'homme Les travaux de recherche scientifique relus et examinés par les pairs fournissent des connaissances crédibles et indépendantes sur les droits de l'homme dans un pays ou une région spécifique ainsi que dans divers contextes et domaines thématiques Les universités jouent un rôle prépondérant dans la mise en place des ressources adaptées en matière des droits de l'homme en vue de renforcer durablement leur protection et promotion L'Annuaire africain des droits de l'homme est un parfait exemple de l'important rôle joué par les universités dans le renforcement de la protection et de la promotion des droits de l'homme en Afrique La profondeur des connaissances qu'il regorge l'Annuaire peut être illustrée par la longue liste d'universitaires et des chercheurs qui le constituent En interrogeant et en analysant l'architecture institutionnelle et le travail des trois organes défenseurs des droits de l'homme l'Annuaire joue un rôle inestimable dans l'amélioration de leur fonctionnement en tant que système collectif Pour cette raison il est essentiel que le Comité la Commission et la Cour prennent note des diverses recommandations coulant des recherches entreprises et les appliquent le cas échéant pour une meilleure protection et promotion des droits de l'homme en Afrique Mme Goitseone Nanikie Nkwe Président du Comité africain d'experts sur les droits et le bien-être de l'enfant Table of Contents I ARTICLES FOCUSED ON ASPECTS OF THE AFRICAN HUMAN RIGHTS SYSTEM AND AFRICAN UNION HUMAN RIGHTS STANDARDS ARTICLES PORTANT SUR LES ASPECTS DU SYSTÈME AFRICAIN DES DROITS DE L'HOMME ET LES NORMES DES DROITS DE L'HOMME DE L'UNION AFRICAINE Le système africain de protection des droits de l'homme et la question des enfants soldats Abelungu Junior Mumbala L'émergence d'un juge électoral régional africain Adjolohoun Sognonna Horace Jegede Ademola Oluborode and Matinda Miriam The African Union Protocol on Free Movement of Persons in Africa development provisions and implementation challenges Adeola Romola La prétention de l'apatridie dans le système africain des droits de l'homme Avlessi Renaud Fiacre Legal protection of refugee children in Africa positive aspects and shortcomings d'Orsi Cristiano III CASE COMMENTAIRES COMMENTAIRES DE DECISIONS Entre imperium illimit et decidendi timor la préparation devant la Cour africaine des droits de l'homme et des peuples Adjolohoun Sognonna Horace Or Sylvain Le droit à l'autodétermination en tant que droit fondamental de l'homme et des peuples la lumière de l'avis de la Cour internationale de Justice sur l'archipel des
