## **Mondo Marilyn A Collection Of Stories And Poems About Marilyn:**

Mondo James Dean Lucinda Ebersole, Richard Peabody, 1996-01-15 Twenty three stories and poems featuring as their hero the movie actor James Dean a 1950s cult figure In one of them Michael Hemminson s Jimmy Dean is portrayed in hell A sequel to Mondo Elvis

**James Dean Transfigured** Claudia Springer, 2013-05-17 After the death of James Dean in 1955 the figure of the teen rebel permeated the globe and its presence is still felt in the twenty first century Rebel iconography which does not have to resemble James Dean himself but merely incorporates his disaffected attitude has become an advertising mainstay used to sell an array of merchandise and messages Despite being overused in advertisements it still has the power to surprise when used by authors and filmmakers in innovative and provocative ways The rebel figure has mass appeal precisely because of its ambiguities it can mean anything to anyone The global appropriation of rebel iconography has invested it with fresh meanings Author Claudia Springer succeeds here in analyzing both ends of the spectrum the rebel icon as a tool in upholding capitalism s cycle of consumption and as a challenge to that cycle and its accompanying beliefs In this groundbreaking study of rebel iconography in international popular culture Springer studies a variety of texts from the United States and abroad that use this imagery in contrasting and thought provoking ways Using a cultural studies approach she analyzes films fiction poems Web sites and advertisements to determine the extent to which the icon s adaptations have been effective as a response to the actual social problems affecting contemporary adolescents around the world

**Women, Creativity, and the Arts** Diane Apostolos-Cappadona, Lucinda Ebersole, 1995 The rhetoric and mythology of Western art has always been oriented toward male artists a distortion art historians and artists have been struggling against in order to affirm and articulate the creative experiences of women The editors of this energetically intelligent anthology have selected essays about and by women in the arts The first section contains nine essays by psychologists art historians and critics literary critics and sociologists including bell hooks Christine Battersby and Linda Nochlin who is represented by her seminal piece Why Have There Been No Great Women Artists In the second half of the book the editors have collected eloquent and stirring autobiographical writings by such twentieth century arts pioneers as Georgia O Keeffe Martha Graham Louise Nevelson Ursula K Le Guin and Audre Lorde All have had to fight for the right to make art and then made art that has profoundly challenged not only gender roles but art itself

*Mondo Marilyn* Richard Peabody, 1995 A collection of stories on Marilyn Monroe In Greg Shapiro s Marilyn My Mother Myself a man is deluged by his mother with Marilyn memorabilia but cannot bring himself to disappoint her by admitting he is not a fan while L A Lantz s Waiting to See is on a woman out to rid her town of every trace of the actress

**The Richard Peabody Reader** Richard Peabody, Michael Dirda, 2015-04-01 Filling an important gap in the literary world The Richard Peabody Reader is a wide ranging selection of this great writer s poetry and prose As a publisher Peabody s steadfast dedication to that which is new challenging innovative and dynamic has won him a wide reputation among writers whose work he has championed This volume demonstrates those same values embodied

in nearly four decades of fiercely smart sophisticated and often very funny writing From his first collection of poems *I m in Love with the Morton Salt Girl* to his most recent collection of short stories *Blue Suburban Skies* Peabody has established and developed a thoroughly unique voice both warm and piercing to deliver content that ranges from the hilarious as in the short story *Flea Wars* to the bittersweet as in the poem *The Other Man is Always French* to the elegiac as in the poem in *Civil War Pieta* to the absurd as in the rollicking farce of the short story *Bad Day at Ikea* Peabody s aesthetic is all embracing strands of punk beat experimental feminist and political protest literary influences blend with the purely romantic to create a body of work that is both profound and pleasing
