*When Paris Sizzled* Mary McAuliffe, 2016-09-15 When Paris Sizzled vividly portrays the City of Light during the fabulous 1920s les Ann es folles when Parisians emerged from the horrors of war to find that a new world greeted them one that reverberated with the hard metallic clang of the assembly line the roar of automobiles and the beat of jazz Mary McAuliffe traces a decade that saw seismic change on almost every front from art and architecture to music literature fashion entertainment transportation and most notably behavior The epicenter of all this creativity as well as of the era s good times was Montparnasse where impoverished artists and writers found colleagues and caf s and tourists discovered the Paris of their dreams Major figures on the Paris scene such as Gertrude Stein Jean Cocteau Picasso Stravinsky Diaghilev and Proust continued to hold sway while others now came to prominence including Ernest Hemingway Coco Chanel Cole Porter and Josephine Baker as well as Andr Citro n Le Corbusier Man Ray Sylvia Beach James Joyce and the irrepressible Kiki of Montparnasse Paris of the 1920s unquestionably sizzled Yet rather than being a decade of unmitigated bliss les Ann es folles also saw an undercurrent of despair as well as the rise of ruthless organizations of the extreme right aimed at annihilating whatever threatened tradition and order a struggle that would escalate in the years ahead Through rich illustrations and evocative narrative Mary McAuliffe brings this vibrant era to life **Monet, Or, The Triumph of Impressionism:**

**Catalogue raisonné** Daniel Wildenstein, 1996 **Monet Or the Triumph of Impressionism** , 1996 David's Sling Victoria C. Gardner Coates, 2016-01-05 Throughout Western history the societies that have made the greatest contributions to the spread of freedom have created iconic works of art to celebrate their achievements Yet despite the enduring appeal of these works from the Parthenon to Michelangelo s David to Picasso s Guernica histories of both art and democracy have ignored this phenomenon Millions have admired the artworks covered in this book but relatively few know why they were commissioned what was happening in the culture that produced them or what they were meant to achieve Even scholars who have studied them for decades often miss the big picture by viewing them in isolation from a larger story of human striving David s Sling places into context ten canonical works of art executed to commemorate the successes of free societies that exerted political and economic influence far beyond what might have been expected of them Fusing political and art history with a judicious dose of creative reconstruction Victoria Coates has crafted a lively narrative around each artistic object and

the free system that inspired it This book integrates the themes of creative excellence and political freedom to bring a fresh new perspective to both In telling the stories of ten masterpieces David s Sling invites reflection on the synergy between liberty and human achievement *Artist Complex* Jadwiga Kamola,2021-10-11 With the Jungian term of the complex the present volume inquires about the making of the artistic persona in twentieth century photography The articles examine photographic self portraits the dynamics between self statements of artists and photographers the interrelations of photography of painting and of performance art and investigate their origins in the history of ideas The volume traces a portrait of photography as a metascience as preparatory work a source of inspiration and an alternate medium in which artists could explore different subjects With essays by Ulrike Blumenthal Till Cremer Victoria Fleury Jadwiga Kamola Weronika Kobylska Bunsch Nadja Kffler Constance Kr ger Wilma Scheschonk Gerd Zillner Art + Paris Impressionists & Post-Impressionists Museyon Guides,2011-07-01 Step into the revolutionary lives of the impressionists with Art Paris the most comprehensive guidebook to impressionism for the armchair traveler lovers of Paris and educators alike Illustrated with hundreds of beautiful full color photos and maps this unique guide combines an introduction to late 19th century art history with reproductions of famous impressionist masterpieces walking tours and detailed listings of the city s art related sites It provides a complete background course on impressionism with comprehensive biographies and engaging essays about the movement listings for 150 must see impressionist paintings in Paris with the stories behind the art easy to follow tours of where the artists lived and found inspiration and an extended travel journey through the French countryside exploring Normandy and the quaint Paris suburbs *Twilight of the Belle Epoque* Mary McAuliffe,2014-03-16 Mary McAuliffe s Dawn of the Belle Epoque took the reader from the multiple disasters of 1870 1871 through the extraordinary re emergence of Paris as the cultural center of the Western world Now in *Twilight of the Belle Epoque* McAuliffe portrays Paris in full flower at the turn of the twentieth century where creative dynamos such as Picasso Matisse Stravinsky Debussy Ravel Proust Marie Curie Gertrude Stein Jean Cocteau and Isadora Duncan set their respective circles on fire with a barrage of revolutionary visions and discoveries Such dramatic breakthroughs were not limited to the arts or sciences as innovators and entrepreneurs such as Louis Renault Andr Citro n Paul Poiret Fran ois Coty and so many others including those magnificent men and women in their flying machines emphatically demonstrated But all was not well in this world remembered in hindsight as a golden age and wrenching struggles between Church and state as well as between haves and have nots shadowed these years underscored by the ever more ominous drumbeat of the approaching Great War a cataclysm that would test the mettle of the City of Light even as it brutally brought the Belle Epoque to its close Through rich illustrations and evocative narrative McAuliffe brings this remarkable era from 1900 through World War I to vibrant life The Cambridge Companion to Debussy Simon Trezise,2003-06-19 Often considered the father of twentieth century music Debussy was a visionary whose influence is still felt This book offers a wide ranging series of essays on Debussy the man the musician

and composer It contains insights into his character his relationship to his Parisian environment and his musical works across all genres with challenging views on the roles of nature and eroticism in his life and music His music is considered through the characteristic themes of sonority rhythm tonality and form with closing chapters considering the performance and reception of his music in the first years of the new century and our view of Debussy today as a major force in Western culture This comprehensive view of Debussy is written by a team of specialists for students and informed music lovers Memory and Desire Kenneth McConkey, 2017-07-12 This title was first published in 2002 Memory and Desire is a lavishly illustrated account of the art world in Britain at the turn of the twentieth century It calls upon rich resources of contemporary diaries letters and art criticism as well as the analysis of works of art to answer questions about how and why new artistic tendencies emerged and tastes changed Eschewing the familiar narrative of an inevitable progress towards modernism Kenneth McConkey considers a broad range of art and critical thinking in the period Discussing the market for old master paintings which rivalled those for modern art and the question of how and why certain genres of art were particularly successful at the time McConkey explores the detail and significance of contemporary taste He draws upon the work of commercially successful painters such as John Singer Sargent William Orpen George Clausen Alfred East John Lavery and Philip Wilson Steer and their critic supporters to throw light upon current arguments about training aesthetics visual memory and the creation of new art Memory and Desire is a major contribution to our knowledge of this important period in British art **Art + Paris Impressionist Rise of the Impressionists** Museyon, 2013-01-01 A complete background course on Impressionism covering the dramatic lives of the artists and the group's struggle to be recognized by the establishment in comprehensive biographies and engaging essays recounting their battle with the Salon *Truth in Serial Form* Malika Maskarinec, 2023-04-27 This volume has its starting point in the veritable explosion of serialized formats in all of forms representation from painting to printing beginning in the mid nineteenth century and the well known fascination with series in biology mathematics music art or literature The new media culture of the late nineteenth century very much shaped by these serialized formats sees itself confronted with questions of truthfulness in new and profound ways just as perhaps the accelerated rhythm anonymity and broadened accessibility of new media today have created new possibilities for the dissemination of misinformation and conversely give us cause to interrogate anew our notions of truthfulness By examining both the formal operations of both aesthetic and scientific objects in a series form and the historical context of their publication or presentation the contributions in this volume examine the often strained but yet immensely productive relationship between the way in which a series negotiates questions of truthfulness both by reference to the rules established in its series form or by means of its serial format This volume provides ten detailed cases of the series form from the history of science and journalism and the history of painting photography and literature as well
