Money Isn't All That Matters

**John R. Keuffer, Richard Carey, Kathy

Money Isn't All That Matters:

Money and the Kingdom of God Maurice A. Fety, 2002 Conventional wisdom holds that money and religion are mutually exclusive there's the popular maxim about money being the root of all evil and Jesus' admonitions about the difficulty of serving both God and Mammon or a rich man entering heaven But Maurice Fety notes that in Jesus' view money and the kingdom of God are intertwined He stresses the importance of good stewardship of God's creation and points out that what we do with our money is indelibly linked with faithful living **Does Money Answer All Things?** Dal

Mize, 2023-07-17 Does Money Answer All Things Dal Mize is an up and coming writer and the son of an old time circuit preacher As a lad Dal was taught that when life got hard he learned that time and God would help him work it out and that he could find the answer in the Bible Then one day he read a scripture that completely set him back This scripture told him that money answers all things This didn't seem to match up with what he had been taught as a youngster That day he decided to drive his own bus This book tells of his life experiences and how he learned to make Christ the Lord of his life

Tsenase, 2014-08-14 Unlock your financial abundance now You were taught that Jesus is the answer to every problem you have and will have in the future this is partially true We all know that Jesus paid the price for our sin by dying on a cross and by resurrecting on the 3rd day but the price He paid cannot belong to you unless you accept it Likewise your financial abundance was paid for through Jesus' death burial and resurrection but you have to accept it in order to live in it This book gives you practical steps and spiritual principles which when acted upon will help you to accept the financial abundance that Jesus paid for today You will finally understand The true purpose of money What the blessing actually is What role the Holy Spirit plays in your finances Why financial abundance is important Why Abraham Isaac Jacob and others were financially abundant and MORE **It's Your Money Isn't It?** G. Edward Reid, 1993 What you are about to discover in this book will be new to many readers very new To some the principles will seem radical They will even appear foolish to a non Christian I have written this book for those who have accepted Jesus Christ as their Saviour and are seeking to make Him Lord of their

the last generation when it began to seem that the money system had been handed down by God and remained unchanged ever since But the last few years have seen an increasingly powerful resurgence of interest in changing the system fundamentally and bringing the monetary trends that affect all our lives under our control Few realize that the debate has roots and a tradition covering mainstream economists like Keynes and Hayek statesmen like Lincoln entrepreneurs like Ford and Soros as well as the imaginative mavericks behind local currencies and e money This volume collects together some of their most influential writings to provide a handbook on a vital train of ideas and a guide to a debate on changing money that is becoming increasingly important
