The more socially prominent brewers served as tax agents for religious institutions the shogunate and the imperial court and were actively involved in a range of cultural pursuits including tea and linked verse Although the merchants themselves left only the faintest record Suzanne Gay has fully and convincingly depicted this important group of medieval commoners Transfer of Taxes from Money-lenders to Business and Labor Henry Winn, 1884 The Laws of England Hardinge Stanley Giffard Earl of Halsbury, 1912 Rural Credit in Western India, 1875-1930 I. Sustainability and Poverty Outreach in Microfinance: the Sri Lankan Experience H Amarathunga, 2019-08-19 The fulfillment of the role of microfinance institutions MFIs in providing affordable financial services to the poor is associated with invariable challenges to MFIs particularly in maintaining MFIs sustainability. The research work undertaken in this context to prepare author's doctoral thesis has finally culminated in a book which has comprehensively dealt with the subject of sustainability versus poverty outreach in microfinance Overall the results of panel data analysis confirm that there is no trade off between sustainability and poverty outreach of MFIs Thus MFIs are in a position to achieve operational self sufficiency while expanding services to the poor Further it is evident from logit analysis that group lending as against individual lending is strategically important for MFIs to achieve sustainability successfully warding off the problems of asymmetric information prevailing in the rural credit markets The book carries a detailed description on Sri Lanka s financial sector and poverty aspects with special emphasis on microfinance sector which comprises of more than 15000 service providers under a variety of institutions with different mandates and business models Policy discussion along with the findings of econometric analyses provides the reader with new insights especially in the absence of any other macro level studies carried out to cover microfinance sector in Sri Lanka The Law Reports Under the Superintendence and Control of the Incorporated Council of Law Reporting for England and Wales ,1922 **Kenva Gazette** ,1933-02-14 The Kenya Gazette is an official publication of the government of the Republic of Kenya It contains notices of new legislation
