Elimination and Wealth Creation Yusef Rashid DeLaine,2014-06-05 The masses of human beings on earth are struggling and suffering with poverty because the financial system of Capitalism is a pyramidal structure based upon divide and conquer that permits the top 5% to become wealthy at the expense of 95% of the masses of people thereby creating a working poor middle class and a permanent underclass through trickledown economics and debt accumulation Conversely

Karl Marx's financial system of Socialism Communism redistributes wealth equally among the members of Society and eradicates poverty but puts a ceiling on the amount of Wealth and Prosperity of its citizens and does not eliminate debt for all of humanity Furthermore the financial system of Capitalistic Socialism permits certain members of Society to become Wealthy yet some of this wealth is also distributed among the less fortunate through the taxation of the wealthy but this still does not create total wealth and prosperity and elimination of debt for all of humanity

Towards a New International Monetary Order Koen Byttemier, 2017-05-25 This book presents a thorough and critical evaluation of the monetary and financial system prevalent in Western economies Further it seeks to explain why this system so often leads to financial crises and why they have been dealt with unsatisfactorily in the past In order to provide answers to these questions the book investigates the monetary and financial system from a multidisciplinary perspective with a strong focus on the ethical value choices which throughout history have shaped the monetary and financial legal system In the closing chapters the book also advances a detailed proposal for a New Global Monetary Order one based on altruism as an alternative to the neoliberal values dominant today

Undue Influence Shelby Yastrow, 2011-11-10 This story is less than a who done it and more of why did he do it and where did he get it Why would an 83 year old Catholic bookkeeper leave a fortune to a Jewish Synagogue Where did he get the millions he left Where is his family This book shows that the drama of a civil lawsuit is every bit as dramatic as any criminal trial and that people will fight for money every bit as hard as they will fight for freedom or for their lives
