Money And The Kingdom Of God:

Money and the Kingdom of God Maurice A. Fetty, 2002 Conventional wisdom holds that money and religion are mutually exclusive there s the popular maxim about money being the root of all evil and Jesus admonitions about the difficulty of serving both God and Mammon or a rich man entering heaven But Maurice Fetty notes that in Jesus view money and the kingdom of God are intertwined He stresses the importance of good stewardship of God s creation and points out that what we do with our money is indelibly linked with faithful living

Money in the Kingdom of God Susan V. Vogt, 2011 As followers of Christ how do we decide how to use the treasure that God gives us How do we judge what to purchase and what to give to others As we examine our own hearts on this topic we must especially guard against self righteousness and judging others for purchases and decisions that differ from our own This is a daunting task and can only be done with prayer and the grace of God This Bible study helps us look at these issues honestly in our own lives by taking a deeper look at what the Scriptures have to say The times are different but the values are the same Yes we are our brothers keeper Yes we are called to be good Samaritans no matter what our nationality Yes we are to be prudent with the earths resources But we are also called to be generous and at times even lavish with celebrating and honoring each other After all Jesus provided more wine at the wedding feast of Cana This Bible study examines six characteristics that we need to live as good Christian stewards providence justice generosity contentment gratitude and humility and investing in the kingdom of God
