Money Talks Language And Lucre In American Fiction

Jackson R. Bryer

Money Talks Language And Lucre In American Fiction:

Money Talks R. R. Male, 1996 **Money Talks** R. Male Roy, 1980 *William Gaddis* Aaron Tillman, 2009 Presents a collection of critical essays on the works of William Gaddis American Studies Jack Salzman, American Studies Association, 1986-08-29 This is an annotated bibliography of 20th century books through 1983 and is a reworking of *American Studies An Annotated Bibliography of Works on the Civilization of the United States* published in 1982 Seeking to provide foreign nationals with a comprehensive and authoritative list of sources of information concerning America it focuses on books that have an important cultural framework and does not include those which are primarily theoretical or methodological It is organized in 11 sections anthropology and folklore art and architecture history literature music political science popular culture psychology religion science technology medicine and sociology Each section contains a preface introducing the reader to basic bibliographic resources in that discipline and paragraph length non evaluative annotations Includes author title and subject indexes ISBN 0 521 32555 2 set 150 00 **Sixteen Modern American Authors** Jackson R. Bryer, 1990 Praise for the earlier edition Students of modern American literature have for some years turned to *Fifteen Modern American Authors* 1969 as an indispensable guide to significant scholarship and criticism about twentieth century American writers In its new form *Sixteenth Modern American Authors* it will continue to be indispensable If it is not a desk book for all Americanists it is a book to be kept in the forefront of the bibliographical compartment of their brains *American Studies* **Harvesting Darkness** Dennis Patrick Slattery, 2006-03 As Dennis Patrick Slattery's writing shows the very stuff of the great traditions is life itself and the hurly burly of current culture is the ground in which tradition thrives Slattery's analyses are keen and thoughtful often scholarly and always deeply spiritual But they are better for being a bit pugnacious and intimate and virile They give evidence of a life lived in earnest one in which nothing is walled off into a category but all enters into the whole that is the mysterious grounding of the person Foreword by Louise Cowan Author of *The Fugitive* Group Series Editor *The Terrain of Comedy* *The Epic Cosmos* And *The Tragic Abyss* Founder Institute of Philosophic Studies The University of Dallas the Teachers Academy at the Dallas Institute of Humanities and Culture The Merchant of Modernism Gary Levine, 2013-12-16 *The Merchant of Modernism* examines how the figure of the economic Jew symbolizes the struggle of authors from Dickens to Pound to reconcile their critique of capitalism with their own literary practices and how the shifting of the representations of this figure parallels the development of literary Modernism From the sudden rise of the Victorian stock market to the Great Depression the prominence of economic Jews in the writings of Charles Dickens George Eliot Edith Wharton Frank Norris Mark Twain Henry James Abraham Cahan F Scott Fitzgerald Ernest Hemingway Willa Cather T S Eliot D H Lawrence Wyndham Lewis Ezra Pound and James Joyce documents major shifts and events in capitalism their impact on literature and advances in economic thought *The Merchant of Modernism* provides a sophisticated analysis of the role of economic history and economic thought in shaping both literary Modernism and modern anti-Semitism

Pioneers, Passionate Ladies, and Private Eyes Larry E Sullivan, Lydia C Schurman, 2013-02-01 Despite efforts of contemporary reformers to curb the availability of dime novels series books and paperbacks *Pioneers Passionate Ladies and Private Eyes* reveals how many readers used them as means of resistance and how fictional characters became models for self empowerment These literary genres whose value has long been underestimated provide fascinating insight into the formation of American popular culture and identity Through these mass produced widely read books *Deadwood Dick Old Sleuth* and *Jessie James* became popular heroes that fed the public's imagination for the last western frontier detective tales and the myth of the outlaw Women particularly those who were poor and endured hard lives used the literature as means of escape from the social economic and cultural suppression they experienced in the nineteenth century In addition to the insight this book provides into texts such as *The Bride of the Tomb* the *Nick Carter Series* and *Edward Stratemeyer's* rendition of the *Lizzie Borden* case readers will find interesting information about the roles of illustrations and covers in consumer culture Bowling Green's endeavor to digitize paperback and pulp magazine covers bibliographical problems in collecting and controlling series books the effects of mass market fiction on young girls Louisa May Alcott's pseudonym and authorship of three dime novels special collections competition among publishers A collection of work presented at a symposium held by the Library of Congress *Pioneers Passionate Ladies and Private Eyes* makes an outstanding contribution to redefining the role of popular fiction in American life

A Coincidence of Wants Charles Lewis, 2014-07-16 This interdisciplinary study examines four major British and American novels in view of key concepts from the mainstream tradition of neoclassical economics Studies of the novel widely address its connections to capitalism yet literary critics and theorists rarely make reference to neoclassical perspectives which have held a key position in the formal analysis of the marketplace for over a century Lewis argues that this overlooked area of economic thought with its emphasis on subjective value individual agency and utility maximization points to a previously unrecognized and important coincidence of wants between economic and novelistic discourse In each of the four readings Lewis uses a single economic problem from neoclassical theory as a model for interpreting novelistic form and content as economic configurations Topics include narrative deferral detour and return as a performance of capital formation and economic development in Daniel Defoe's *Robinson Crusoe* the emergence of the creative risk taking entrepreneur in Mary Shelley's *Frankenstein* the representation of money in the romantic realization of trade in Herman Melville's *Moby Dick* and a consumer utility theory of naturalist desire and indifference in Theodore Dreiser's *Sister Carrie* Underscoring how neoclassical theory variously elaborates on and departs from other economic approaches and periods the author also addresses the limitations of and the possibilities of profitable exchange with other critical frameworks for understanding literal and symbolic economies in narrative fiction more broadly

Panic Fiction Mary Templin, 2014-02-28 *Panic Fiction* explores a unique body of antebellum American women's writing that illuminates women's relationships to the marketplace and the links between developing ideologies of

domesticity and the formation of an American middle class Between the mid 1830s and the late 1850s authors such as Hannah Lee Catharine Sedgwick Eliza Follen Maria McIntosh and Maria Cummins wrote dozens of novels and stories depicting the effects of financial panic on the home and proposing solutions to economic instability This unique body of antebellum American women s writing which integrated economic discourse with the language and conventions of domestic fiction is what critic Mary Templin terms panic fiction In *Panic Fiction Antebellum Women Writers and Economic Crisis* Templin draws in part from the methods of New Historicism and cultural studies situating these authors and their texts within the historical and cultural contexts of their time She explores events surrounding the panics of 1837 and 1857 prevalent attitudes toward speculation and failure as seen in newspapers and other contemporaneous texts women s relationships to the marketplace and the connections between domestic ideology and middle class formation Although largely unknown today the phenomena of panic fiction was extremely popular in its time and had an enormous influence on nineteenth century popular conceptions of speculation failure and the need for marketplace reform providing a distinct counterpoint to the analysis of panic found in newspapers public speeches and male authored literary texts of the time

Sixteen Modern American Authors Jackson R. Bryer, 1989 Praise for the earlier edition *Students of modern American literature have for some years turned to Fifteen Modern American Authors 1969 as an indispensable guide to significant scholarship and criticism about twentieth century American writers In its new form Sixteenth Modern American Authors it will continue to be indispensable If it is not a desk book for all Americanists it is a book to be kept in the forefront of the bibliographical compartment of their brains American Studies* *The Critical Reception of Hemingway's The Sun Also Rises* Peter L. Hays, 2011 This History of the criticism of *The Sun Also Rises* shows not only how Hemingway s first major novel was received over the decades but also how different critical modes have dominated different decades and what besides tenure critics of different eras looked for in it As such it shows what has interested critics how they have reinterpreted the novel and how they have seen the characters playing different roles Thus the novel becomes a mirror reflecting not only Paris and Spain in 1925 but us *Gender and the Writer's Imagination* Mary Suzanne Schriber, 2021-10-21 The concept of woman as having a distinctive nature and requiring a separate sphere of activity from that of man was pervasive in the thinking of nineteenth century Americans So dominant was this horizon of expectations for woman that the imaginations of our finest novelists were often subverted even as they attempted to expand the possibilities for women through their fiction Selecting five American writers James Fenimore Cooper Nathaniel Hawthorne William Dean Howells Henry James and Edith Wharton Schriber traces the impact of cultural expectations for woman on the art of the novel from the early nineteenth century through the advent of Modernism The novels of Cooper and Hawthorne exemplify the male imagination at work before the concept of woman s nature and sphere became burning issues as they did later in the century Howells while attempting to expand woman s sphere in his fiction in response to feminist challenges in fact demonstrates the recalcitrance of a priori

ideas James provoked rather than subverted by the ideology of gender was able to bend the culture's myopia to his own artistic purposes Wharton's novels in contrast document the female imagination seeking aesthetic solutions to the problems of women rather than to woman as problem Wharton constructs versions of female experience that were either invisible or anathema to her male counterparts Schriber's discussion centers on those points in each text at which the culture's horizon of expectations drives the decisions and choices of the artist sometimes to the benefit and sometimes at the expense of craft Making full use of gender as a category of literary analysis she recovers the meanings intended by the texts for audiences of their own time and distinguishes those meanings from their significance for modern readers Original in its methodology and insights *Gender and the Writer's Imagination* provides a model for future literary studies

The Letters of William Gaddis William Gaddis, 2023-04-04 A revelatory collection of correspondence by the lauded author of titanic American classics such as *The Recognitions* and *J R* shedding light on his staunchly private life UPDATED WITH OVER TWO DOZEN NEW LETTERS AND PHOTOGRAPHS Now recognized as one of the giants of postwar American fiction William Gaddis shunned the spotlight during his life which makes this collection of his letters a revelation Beginning in 1930 when Gaddis was at boarding school and ending in September 1998 a few months before his death these letters function as a kind of autobiography and also reveal the extent to which he drew upon events in his life for his fiction Here we see him forging his first novel *The Recognitions* 1955 while living in Mexico fighting in a revolution in Costa Rica and working in Spain France and North Africa Over the next twenty years he struggles to find time to write the National Book Award winning *J R* 1975 amid the complications of work and family deals with divorce and disillusionment before reviving his career with *Carpenter's Gothic* 1985 then teaches himself enough about the law to produce *A Frolic of His Own* 1994 Resuming his lifelong obsession with mechanization and the arts he finishes a last novel *Agap Agape* published in 2002 as he lies dying This newly revised edition includes clarifying notes by Gaddis scholar Steven Moore as well as an afterword by the author's daughter Sarah Gaddis

Encyclopedia of Comparative Iconography Helene E. Roberts, 2013-09-05 First published in 1998 *The Encyclopedia of Comparative Iconography* compares the uses of iconographic themes from mythology the Bible and other sacred texts literature and popular culture in works of art through various periods cultures and genres Art historians now tend to study narrative themes depicted in works of art in relation to such subjects as gender and sexuality politics and power ownership and possession ceremony and ritual legitimacy and authority *The Encyclopedia of Comparative Iconography* reflects these new approaches by ordering the themes of various iconographic sources in particular biblical mythological and literary texts according to these new emphases Each handsomely illustrated entry discusses the major relevant iconographic narratives and the historical background of each theme A list of selected works of art that accompanies each essay guides the reader to examples in art that depict the theme under discussion Each essay includes a list of suggested reading that provides further sources of information about the themes A general bibliography of reference books is listed separately and can be used in

association with all the essays With 119 entries written by 42 experts the Encyclopedia of Comparative Iconography is an important reference work for art historians students of art history artists and the general reader **Dreams for Dead Bodies** Michelle Robinson,2016-02-02 Explores U S detective fiction s deep engagement with the shifting dynamics of race and labor in America **The Hemingway Review** ,2004 **The Merchant of Modernism** Gary Martin Levine,2003 First Published in 2003 Routledge is an imprint of Taylor Francis an informa company *World Literature Today* ,1992 **The New Economic Criticism** Martha Woodmansee,Mark Osteen,2005-10-09 This is a pathbreaking work which develops a new form of economic analysis This collection brings together 27 essays by influential literary and cultural historians as well as representatives of the vanguard of postmodernist economics
