**Patrons and Protectors** Michael O'Neill McGrath,2003 Oh When the Saints go marching in What a procession young and old rich and poor the healthy and the infirm of every race and color In each book of the Patrons and Protectors series we are given a glimpse of some of the many men and women whose lives witness to the reign of God In this third book of the series the author and artist Michael O Neill McGrath shifts his attention from the role of saints as patrons of occupations to their role as protectors in times of need From the mundane anxiety of losing one s keys to major life challenges such as serious illness or catastrophe there is likely to be a saint to inspire and guide us Rosemary Haughton suggests in the foreword Some of the people in this book we know a lot about it s easy to imagine them talk to them Of some we know little but they are shining symbols of qualities we can recognize and respond to They are people who went through loss fear grief pain the kind of things that strip away defenses and leave the soul naked before God So they are people we can cry out to complain to grumble to One with God they are one with our need and our hope Their lives can release in us the faith we didn t know we had The saints included in this volume are people we should know None of them was born a saint but each made the choice to profess their faith in how they lived their lives They can help us do the same And then we too will be in that number when the saints go marching in Book jacket

**The Christ of God** Beatrice Francis Carey,2024-01-04 If our lives are built on the foundation of the Word of GOD it will be that we will seek Him more and more We will want to honor Him in as many venues as possible I think if Jesus the Christ of GOD was here today He would be using every platform available to declare His Word Jesus lives through His Word so the more it is honored and declared the more He is glorified

For the most part GOD S Word has been ignored lately When this great country of ours was founded by Christian fathers the Bible was the textbook children learned to read out of at school Then we became too prideful and sophisticated to keep Christ central We started relying on ourselves and our inventions and strayed from our first love As Hosea rightly proclaimed Thou hast gone a whoring from thy GOD We have cast off the thing that is good and are deeply corrupted He continues his rebuke warning Israel of GOD S wrath It is the same for us today GOD will visit us for our sins and our glory shall fly away as a bird Hos 9 11 The message is always the same return unto your Maker We are like children following every pied piper on jump street Hopefully with more chapters on our King and Savior Jesus Christ we will flee to His open arms We do not want to hear The glory is departed not from our country or any country No we want the King s glory to rain down upon us Hosea s beautiful words remind us According to their pasture so were they filled They were filled and their heart was exalted Therefore have they forgotten Me O Israel thou hast destroyed thyself but in Me is thine help I will be thy King Where is any other that may save thee Hos 13 6 9 10      **St. Faustina Prayer Book for the Conversion of Sinners** Susan
