*Deception: Introduction to an Italian Saga Brought to Life* Elizabeth Quintino, 2018-01-16 Sexual and physical abuses are not easily spoken of in our society. Many people would rather handle it the same way they did in the past generations with all too many children locking it away and never speaking of it ever again. Denying this abuse taking place and keeping it hidden in the closet can cause mental, emotional, and psychological damage to the children violated. Many endured sleepless nights with recurring nightmares into their adult lives knowing they were violated by people they

**The Million Dollar Divorce** RM Johnson, 2004-09-09 RM Johnson the Essence bestselling author of *Dating Games* and *The Harris Family* delivers an absorbing and provocative novel about the lowdown schemes and broken dreams that follow a fractured marriage. Successful business entrepreneur Nate Kenny is thrilled to marry the beautiful and intelligent Monica chiefly because it means he can at last fulfill his lifelong dream of having a family. They wait to try for three years and when they finally do, the couple discovers that she is unable to bear children. Any love he once felt for Monica is gone and Nate wants out of the marriage. But he's worried about losing half of his sixty million dollar fortune in a divorce settlement. Desperate for an out, he searches for a way to exploit the infidelity clause in the couple's prenuptial agreement. Enter Lewis Waters. With his baby's mother addicted to drugs, Lewis is already seriously down on his luck when he accidentally smashes his car into Nate's Bentley. Without auto insurance or any way to pay for the repairs, Lewis is at the end of his financial rope. But the scheming Nate sees another way for the attractive young man to repay his debt as sexual bait for Monica. Nate sets up Lewis with all of the accessories he believes Lewis will need to earn Monica's love or, at the very least, her lust: a big house, a fancy car, expensive clothes, and a full bank account. But as is often the case when it comes to matters of the heart, things don't unfold according to plan. When Monica falls hard for Lewis, Nate panics. Was protecting his fortune more important than trying to save his marriage? As he finds himself overwhelmed by second thoughts, Nate is willing to do anything to get Monica back. An inspired fusion of realism and romance, *The Million Dollar Divorce* is an unpredictable caper of lust, betrayal, and family ties.

**Any You** William Bowden, 2017-09-01 A creature from another dimension had gotten into her head, eviscerated her mind, and gouged out her soul. Now physicist Rhoda Mollo finds herself where she'd really rather not be: cast away on some far-flung shore of Any Now, trapped in a nightmare of the real and not real, slave to her own heresies. No matter how hard she tries, she can no longer slip into that happy state that simply accepts reality as it appears to be. Her mind won't let her; it has seen the illusion for what it is: the magic trick revealed. But she is set on her course of action. To play the hand she had been dealt, if indeed she had been dealt any hand at all. Her adversaries are the mysterious Seventh Day of the Veil, a pair of individuals seemingly revealed as gatekeepers to the predicament she now finds herself in. There will be no seeking them out. Pursuit would be fruitless. They must find her. And to achieve that, Rhoda will have to play them at their own game. *Any You* is another mind-twisting journey through Any Now, exposing the dark nature of reality with far-reaching consequences.
