

# Monkeys & Apes

## My learning goal:

To recognise the difference between fact and opinion statements

## My tools:

A **fact** is true and can be backed up by evidence. An **opinion** is something you believe or feel to be true but it can't actually be proven.

Monkeys have tails – This is a **fact**.

A chimpanzee would make a great pet – This is my **opinion**.

Find 4 facts in your story and write them on the monkey cards. On the other 2 cards write your opinion about something in your book.

Cut the cards out and read them to a friend. Ask them to tell you whether each card is a fact or an opinion.
