Monks On Marriage A Twelfth Century View:

Monks on Marriage, a Twelfth-century View Jean Leclercq, 1982 **Monks on Marriage, a Twelfth-century View** Jean Leclercq, 1982 **The Selected Works of Isaac of Stella** Isaac (of Stella), 2007 This book presents an invaluable selection of sermons and theological treatises of the twelfth century author Isaac of Stella The English born abbot of the French Cistercian monastery of Stella on the Isle of Re is one of the most inspiring yet equally elusive representatives of the great twelfth century Cistercian Renaissance more widely associated with the person of Bernard of Clairvaux The astonishing spiritual and intellectual depth of Isaac s surviving writings makes him a valuable read for anyone aiming to receive a complete picture of the intellectual heritage of the Middle Ages Of the twenty five sermons by Isaac presented in this volume ten are made available here in an English translation for the first time These are accompanied with two new studies examining Isaac of Stella s work from an historical literary as well as theological perspective *Celibate Marriages in Late Antique and Byzantine Hagiography* Anne P. Alwis, 2011-10-27 *Celibate Marriages in Late Antique and Byzantine Hagiography* explores the puzzling phenomenon of celibate marriage as depicted in the lives of three couples who achieved sainthood Marriage without intercourse appears to have no purpose especially in Christian antiquity yet these three tales were copied for centuries What messages were they promoting What did it mean to be a virgin husband and a virgin wife Including full translations this volume sets each life in its historical context and by examining their individual and shared themes the book shows that the tension raised by pitting marriage against celibacy is constantly debated It also highlights the ingenuity of Byzantine hagiographers as they attempted to reconcile this curious paradox This book addresses a gap in late Antique and Byzantine hagiographic studies where primary sources and interpretative material are very rarely presented in the same volume By providing a variety of contexts to the material a much more comprehensive revealing and holistic picture of celibate marriage emerges **Marriage Disputes in Medieval England** Frederik Pedersen, 2000-01-01 Most information about medieval life comes from the records of the church courts of the province of York which date from the 14th century This work investigates cases involving a range of disputes including sex consent and violence **Bernard of Clairvaux on the Spirituality of Relationship** John R. Sommerfeldt, 2004 **Fifteenth-Century Carthusian Reform: The World of Nicholas Kempf** Martin, 2021-11-01 Fifteenth Century Carthusian Reform argues that monastic theology offers a medieval Catholic paradigm distinct from the scholastic theology that has been the conventional source for medieval oriented interpretations of Renaissance and Reformation It is based on thorough study of the manuscript record Nicholas Kempf ca 1415 1497 taught at the University of Vienna before becoming the head of Carthusian monasteries in rural Austria and Slovenia Faced with calls for reform in church and society he placed his confidence in the patristic Christian idea of reform the reform of the image of God in the human person This contemplative monastic idea of reform depended on authoritative structures especially the monastic rule and rational yet divinely inspired discernment by a spiritual director

What seemed like simpleminded submission to monastic structures was actually a way to avoid relying on human effort for salvation. By returning to one's true self, the image of God, one opened oneself up for genuine social relationships. To activist reformers, whether adherents of medieval scholasticism, Renaissance humanism, or modern Enlightenment, this monastic idea of reform has seemed escapist, backward looking, and womanish. Monks accepted these labels but read them as signs of hidden strength. This book attempts to read through monastic lenses.

Semiotic Theory and Sacramentality in Hugh of Saint Victor Ruben Angelici, 2019-08-01. This book offers Hugh of Saint Victor's early scholastic thoughts on sacrament in order to re-discover the pre-modern theological understanding of ontological signification. The Christian understanding of sacrament through the category of signs results in a theology that inherently shares in the philosophical notion of semiotics. Yet through the advent of post-structuralism, current sign theory is effectively shaped by post-Kantian ontological foundations. This can lead to misinterpretations of the sacramental theology that predates this intellectual turn. The book works within a context of Christological realist mysticism. Such an approach allows mutually informing debates in semiotic development and studies on sacramental theology to sit side by side. In addition, as a work of *ressourcement* influenced by the methodology and concerns of the historical French *Ressourcement*, this study seeks to continue an engagement with some of the most promising sacramental positions that have emerged throughout twentieth-century theology, particularly with the revival of interest in Victorine theology. By providing an examination of sacramentality and theories of signification in the early scholastic theology of Hugh of Saint Victor, this book gives fresh impetus to the theology surrounding sacrament. As such, it will be of great interest to scholars of mysticism, theologians of sacrament, philosophical theologians, and philosophers of religion.

Handbook of Medieval Sexuality Vern L. Bullough, James Brundage, 2013-01-11. Like specialists in other fields in humanities and social sciences, medievalists have begun to investigate and write about sex and related topics such as courtship, concubinage, divorce, marriage, prostitution, and child rearing. The scholarship in this significant volume asserts that sexual conduct formed a crucial role in the lives, thoughts, hopes, and fears both of individuals and of the institutions that they created in the middle ages. The absorbing subject of sexuality in the Middle Ages is examined in 19 original articles written specifically for this Handbook by the major authorities in their scholarly specialties. The study of medieval sexuality poses problems for the researcher: indices in standard sources rarely refer to sexual topics, and standard secondary sources often ignore the material or say little about it. Yet a vast amount of research is available, and the information is accessible to the student who knows where to look and what to look for. This volume is a valuable guide to the material and an indicator of what subjects are likely to yield fresh scholarly rewards.

The Haskins Society Journal Studies in Medieval History Robert Patterson, 2003-08-02. The Haskins Society, named after the celebrated American medievalist Charles Homer Haskins, was founded in 1982 to provide a forum for the discussion and study of English and related continental history in the middle ages.

The Christian Home in Victorian America, 1840-1900 Colleen McDannell, 1994-03-22. wonderfully imaginative

and provocative in its interdisciplinary approach to the study of nineteenth century American religion and women's role within it. Choice an important addition to the fields of religious studies, women's history and American cultural history. Journal of the American Academy of Religion a complete and complex portrait of the Christian home. The Journal of American History

From Sacrament to Contract, Second Edition John Witte Jr., 2012-01-31 This newly revised and enlarged edition of John Witte's authoritative historical study explores the interplay of law, theology and marriage in the Western tradition. Witte uncovers the core beliefs that formed the theological genetic code of Western marriage and family law. He explores the systematic models of marriage developed by Catholics, Lutherans, Calvinists, Anglicans and Enlightenment thinkers and the transformative influence of each model on Western marriage law. In addition, he traces the millennium long reduction of marriage from a complex spiritual, social, contractual and natural institution into a simple private contract with freedom of entrance, exercise and exit for husband and wife alike. This second edition updates and expands each chapter and the bibliography. It also includes three new chapters on classical biblical and patristic sources.

Sexuality in the Middle Ages and Early Modern Times Albrecht Classen, 2008-12-10 Sexuality is one of the most influential factors in human life. The responses to and reflections upon the manifestations of sexuality provide fascinating insights into fundamental aspects of medieval and early modern culture. This interdisciplinary volume with articles written by social historians, literary historians, musicologists, art historians and historians of religion and mental history demonstrates how fruitful collaborative efforts can be in the exploration of essential features of human society. Practically every aspect of culture both in the Middle Ages and the early modern age was influenced and determined by sexuality which hardly ever surfaces simply characterized by prurient interests. The treatment of sexuality in literature, chronicles, music, art, legal documents and in scientific texts illuminates central concerns, anxieties, tensions, needs, fears and problems in human society throughout times.

Canon Law in the Age of Reforms (c. 1000 to c. 1150) Christof Rolker, 2023-09-29 This monograph addresses the history of canon law in Western Europe between ca. 1000 and ca. 1150, specifically the collections compiled and the councils held in that time. The main part consists of an analysis of all major collections, taking into account their formal and material sources, the social and political context of their origin, the manuscript transmission and their reception, more generally. As most collections are not available in reliable editions, a considerable part of the discussion involves the analysis of medieval manuscripts. Specialized research is available for many, but not all these works, but tends to be scattered across miscellaneous publications in English, German, French, Italian and Spanish. One purpose of the book is thus to provide relatively uniform, up-to-date accounts of all major collections of the period. At the same time, the book argues that the collections are much more directly influenced by the social milieu from which they emerged and that more groups were involved in the development of high medieval canon law than it has previously been thought. In particular, the book seeks to replace the still widely held belief that the development of canon law in the century before Gratian's *Decretum* (ca. 1140) was largely driven by the Reform papacy. Instead, it is crucial to

take into account the contribution of bishops monks and other groups with often conflicting interests Put briefly local needs and conflicts played a considerably more important role than central papal reform on which older scholarship has largely focused

The Catholic Church on Marital Intercourse Robert Obach, 2008-12-16 The Catholic Church on Marital Intercourse traces the development of the Church's theology of marital sexuality from New Testament times to the present day The early ecclesial leaders promoted a theology of sexuality based on Stoicism's biological perception that sexual activity was solely for the purpose of reproduction Only in the early twentieth century did a few theologians begin to move beyond discussing the purposes of marital intercourse to discussing the meaning that the marital act might have for the spouses themselves With the Second Vatican Council 1962-1965 a new and positive view of marital sexuality emerged recognizing the Pauline view that the couple's marital acts express their love for each other along the lines of Christ's love for his church Ephesians 5 In sum The Catholic Church on Marital Intercourse treats the way in which the Catholic Church has moved away from an attitude of conditional acceptance of marital intercourse on the basis of its utility to recognition that the dynamics of sexual union are both good and holy not only because that is the way children are conceived but also because the marital act enhances the love of husband and wife for each other

Memory and Medieval Tomb Elizabeth Valdez Del Alamo, Carol Stamatis Pendergast, 2019-01-15 This title was first published in 2000 Reverent memorial for the dead was the inspiration for the production of a significant category of artworks during the Middle Ages artworks aimed as much at the laity as at the clergy and intended to maintain symbolically the presence of the dead Memoria the term that describes the formal liturgical memory of the dead also includes artworks intended to house and honour the deceased This book explores the ways in which medieval Christians sought to memorialize the deceased with tombs cenotaphs altars and other furnishings connected to a real or symbolic burial site A dozen essays analyze strategies for commemoration from the 4th to the 15th century the means by which human memory could be activated or manipulated through the interaction between monuments their setting and the visitor Building upon from the growing body of literature on memory in the Middle Ages the collection focuses on the tomb monument and its context as a complex to define what is to be remembered to fix memory and to facilitate recollection Remembering depended upon the emotionally charged interaction between the visitor the funerary monument strategically placed images or inscriptions the liturgy and its participants Commemorative artworks may consolidate social bonds as well as individual memory as put forth in this volume Parallels are drawn between mnemonic devices utilized in the Middle Ages the design of monuments and contemporary scientific research in cognitive neuropsychology The papers were originally presented at the 1994 meetings of the College Art Association and the International Congresses of Medieval Studies at Western Michigan University Kalamazoo and the University of Leeds England in 1995

Reordering Marriage and Society in Reformation Germany Joel F. Harrington, 1995-01-27 This book examines the impact of the Protestant Reformation on both the ideal and practice of marriage in sixteenth century Germany Combining extensive archival work with a broad synthesis of

scholarly research in legal theological and social history it provides the most comprehensive evaluation to date of the Reformation's impact on marriage The author compares Protestant reforming goals and achievements to those of contemporary Catholics All sixteenth century campaigns to restore traditional family values he argues must be viewed in the context of more gradual social transformations in private morality public authority and familial relations The apparent innovations of the reformers including the abolition of clerical celibacy and introduction of divorce fade in comparison to their much greater adherence to the theological legal and social traditions shared with their Catholic ancestors and contemporaries

A Companion to Aelred of Rievaulx (1110-1167) Marsha Dutton, 2017-01-23 Brill's Companion to Aelred of Rievaulx explores the life works and thought of Aelred Cistercian abbot of Rievaulx Abbey from 1147 to 1167 As well as introducing the three genres of his works sermons spiritual teaching and history scholars survey such central topics as Marian devotion love and friendship the sacramental nature of community lay spirituality and saints lives The work also includes the first supplement to the *Bibliotheca aelrediana secunda* listing publications by and about Aelred from between 1996 and 2015 Aelred is rapidly becoming one of the best known and most loved of the 12th century Cistercians this book provides welcome new insights into his contributions to the spiritual and political concerns of his place and time Contributors are Damien Boquet Pierre Andr Burton Marsha L Dutton Elizabeth Freeman Daniel M La Corte Marie Anne Mayeski Domenico Pezzini John R Sommerfeldt and Katherine Yohe

Negotiating Clerical Identities J. Thibodeaux, 2010-10-13 Clerics in the Middle Ages were subjected to differing ideals of masculinity both from within the Church and from lay society The historians in this volume interrogate the meaning of masculine identity for the medieval clergy by considering a wide range of sources time periods and geographical contexts

The Mark of the Beast Debra Hassig, 2013-10-18 The medieval bestiary was a contribution to didactic religious literature addressing concerns central to all walks of Christian and secular life These essays analyze the bestiary from both literary and art historical perspectives exploring issues including kinship romance sex death and the afterlife

Monks On Marriage A Twelfth Century View Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Monks On Marriage A Twelfth Century View free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Monks On Marriage A Twelfth Century View free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Monks On Marriage A Twelfth Century View free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Monks On Marriage A Twelfth Century View. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu,

provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Monks On Marriage A Twelfth Century View any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Monks On Marriage A Twelfth Century View Books

What is a Monks On Marriage A Twelfth Century View PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Monks On Marriage A Twelfth Century View PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Monks On Marriage A Twelfth Century View PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Monks On Marriage A Twelfth Century View PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Monks On Marriage A Twelfth Century View PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
