Monogamy Myth A Personal Handbook For Recovering From Affairs:

The Monogamy Myth Peggy Vaughan, 2009-08-18 One of the most valuable survival guides for men or women recovering from a partner's affair. Featured on Oprah 48 Hours CNN Fox News and in USA Today. In this landmark book Peggy Vaughan helps us to understand the stages of suspicion, confrontation, and the healing process necessary to recover, including rebuilding self-esteem, the marriage/divorce dilemma, and seeking professional help. Packed with practical, time-tested advice and successful strategies, this authoritative guide reveals: You are not alone; estimates are that at least 60 percent of men and 40 percent of women will have an extramarital affair. People from all walks of life have affairs. Devoted parents, religious individuals, regardless of income or social class. Our society contributes to the prevalence of affairs. An affair does not mean the end of a marriage. Recovery is fueled by honest, open discussion of the affair. Substantiated by case studies, ongoing research, and the author's own experience, this updated third edition includes information on the role of the Internet in relationships, shares the words of others who are recovering from affairs, and describes the six-step program for establishing communication between partners that can actually prevent affairs.

The Monogamy Myth Peggy Vaughan, 1989 Based on ten years of research and hundreds of interviews, this book reveals the complex reasons why people have affairs, discusses the stages of discovery and coping, the marriage/divorce dilemma, and how to seek professional help.

To Have and to Hold Peggy Vaughan, 2010-10-19 From the author of *The Monogamy Myth*, an essential guide written specifically for married couples to strengthen their relationship and prevent affairs. Based on Peggy Vaughan's 30 years of work with married couples and the issue of affairs, this new handbook challenges the assumption that monogamy can be taken for granted and provides the tools for building a strong marriage and preventing affairs. Explaining the need to focus on preventing affairs before there is any threat to a marriage, she draws on her survey of 755 people regarding their beliefs to present *What Won't Work* and *What Will Work* to prevent affairs. Throughout *To Have and to Hold*, Vaughan details specific strategies and techniques, emphasizing that relying on attitudes and beliefs is not sufficient to maintain a monogamous relationship over a lifetime. Focusing on actions and behaviors is far more significant to strengthen a relationship. Responsible honesty is the single most important factor in preventing affairs. Everybody in society as a whole plays a role in supporting couples' efforts to maintain monogamy. Parents have a special responsibility to break the pattern for future generations. Four appendices present Vaughan's survey questionnaire along with detailed breakdowns of responses.

Love and Freedom Jorge N. Ferrer, 2021-06-24 In Love and Freedom Jorge Ferrer proposes a paradigm shift in how romantic relationships are conceptualized a step forward in the evolution of modern relationships In the same way that the transgender movement surmounted the gender binary Ferrer defines how a parallel step can and should be taken with the relational style binary This book offers the first systematic discussion of relationship modes beyond monogamy and polyamory as well as introduces the notion of relational freedom as the capability to choose one s relational style free from biological psychological and sociocultural conditionings To achieve these goals Ferrer first discusses a number of critical categories specifically monoprivilege polyphobia and polypride monophobia that mediate the contemporary mono poly wars that is the predicament of mutual competition among monogamists and polyamorists The ideological nature of these mono poly wars is demonstrated through a review of available empirical literature on the psychological health and relationship quality of monogamous and polyamorous individuals and couples Then after showing how monogamy and polyamory ultimately reinforce each other Ferrer articulates three relational pathways to living in between through and beyond the mono poly

binary fluidity hybridity and transcendence Moving beyond that binary opens a fuzzy liminal and multivocal relational space that Ferrer calls novogamy In this groundbreaking book readers will learn practical tools to not only transform jealousy but also enhance their relational freedom while being aware of key issues of diversity and social justice They will also learn novel criteria to evaluate the success of their intimate relationships and be introduced to a transformed vision of romantic love beyond both monocentrism and emerging polynormativities

The Gift of Betrayal Eve Wood, M.D.,2009-05-01 You've been betrayed by a loved one What you counted on to be true is false Betrayal may very well be the cruelest and most painful relationship challenge you'll ever face but you're not alone According to conservative estimates 40 percent of women and 60 percent of men have betrayed their significant other But statistics don't help you feel any better You're a woman who knows what it feels like to be betrayed to have your life shattered to see your dreams go up in smoke You are alone abandoned at risk hopeless and overwhelmed You don't know who you are anymore what's real or whom you can trust While you surely can't see the gift in your betrayal it is there What feels like a curse is really a blessing in disguise Eve A Wood M D ought to know She's been there herself And she's helped hundreds of other women heal their lives after gut wrenching betrayals You too can climb out of your pit of despair and live your heart's desire but you need to know how to do it How will you heal your life when your world explodes You do have a choice you can be a victim or use this experience as an opportunity to create the life you've always wanted With *The Gift of Betrayal* Dr Wood has written the book she wishes she'd been able to read many years ago Her patients and her own life journey have taught her the 14 key lessons necessary to heal your life when your world explodes And now she's sharing them with you Read other women's stories Learn from your own history And then use the guidance tools and suggestions Dr Wood offers to find your own unique path to wholeness and joy You can create a glorious future You will be successful
