The Perfect Audition Monologue Glenn Alterman,2003 *Bibliographic Guide to Theatre Arts* New York Public Library. Research Libraries,1976 **American Book Publishing Record** ,2005 **The Framing Text in Early Modern English Drama** Brian W. Schneider,2016-03-03 Though individual prologues and epilogues have been treated in depth very little scholarship has been published on early modern framing texts as a whole The Framing Text in Early Modern English Drama fills a gap in the literature by examining the origins of these texts and investigating their growing importance and influence in the theatre of the period This topic led discussion of prologues and epilogues deals with the origins of these texts the difficulty of definition and the way in which many prologues and epilogues appear to interact on such subjects as the composition of the theatre audience and the perceived place of women in such an audience Author Brian Schneider also examines the reasons for and the evidence leading to the apparently sudden burgeoning of these texts after the Restoration when prologues and epilogues grace nearly all the dramas of the time and become a virtual cottage industry of their own The second section a comprehensive list of prologues and epilogues details play titles playwrights theatres and theatre companies first performance and the earliest edition in which the framing text s appears It quotes the first line of the prologue and or epilogue and uses the printer s signature to denote the page on which the texts can be found Further information is provided in notes appended to the relevant entry A final section deals with free floating and free standing framing texts that appear in verse collections manuscripts and other publications and to which no play can be positively ascribed Combining original analysis with carefully compiled comprehensive reference data The Framing Text in Early Modern English Drama provides a genuinely new angle on the drama of early modern England **Shakespeare Monologues for Men** William Shakespeare,2009 Full of fresh speeches from Shakespeare s plays Ideal for actors of all ages and experience **National Union Catalog** ,1973 Includes entries for maps and atlases **The Ultimate Scene and Monologue Sourcebook, Updated and Expanded Edition** Ed Hooks,2010-05-19 All actors and acting teachers need The Ultimate Scene and Monologue Sourcebook the invaluable guide to finding just the right piece for every audition The unique format of the book is ideal for acting teachers who want their students to understand each monologue in context This remarkable book describes

the characters action and mood for more than 1 000 scenes in over 300 plays Using these guidelines the actor can quickly pinpoint the perfect monologue then find the text in the Samuel French or Dramatist Play Service edition of the play Newly revised and expanded the book includes the author s own assessment of each monologue
