Monsieur Venus Roman Materialiste Texts And Translations:

Monsieur Vénus Rachilde, 2015-05-01 When the rich and well connected Raoule de V n rande becomes enamored of Jacques Silvert a poor young man who makes artificial flowers for a living she turns him into her mistress and eventually into her wife Raoule s suitor a cigar smoking former hussar officer becomes an accomplice in the complications that ensue

The Hysteric's Revenge Rachel Mesch, 2006 Brings into relief a critical relationship between the female mind and body that is essential to understanding the discursive position of the turn of the century woman writer This book includes novels that confront this mind body problem through a wide variety of styles and genres that challenge conventional fin de siecle notions of femininity

Exiles, Travellers and Vagabonds , 2016-10-20 Travel writing migrant writing exile writing expatriate writing and even the fictional travelling protagonists that emerge in literary works from around the globe have historically tended to depict mobility as a masculine phenomenon The presence of such genres in women s writing however poses a rich and unique body of work This volume examines the texts of Francophone women who have experienced or reflected upon the experience of transnational movement Due to the particularity of their relationship to home and the consequent impact of this on their experience of displacement the study of women s mobility opens up new questions in our understanding of the movement from place to place and in our broader understanding of colonial and postcolonial worlds Addressing the proximities and overlaps that exist between the experiences of women exiles migrants expatriates and travellers the collected essays in this book seek to challenge the usefulness relevance or validity of such terms for conceptualising today s complex patterns of transnational mobility and the gendered identities produced therein Victims

of the Book Francois Proulx, 2019-11-04 Victims of the Book uncovers a long neglected but once widespread subgenre the fin de si cle novel of formation in France In the final decades of the nineteenth century social commentators insistently characterized excessive reading as an emasculating illness that afflicted French youth Novels about and geared toward adolescent male readers were imbued with a deep worry over young Frenchmen s masculinity as evidenced by titles like Crise de jeunesse Youth in Crisis 1897 La Crise virile Crisis of Virility 1898 La Vie st rile A Sterile Life 1892 and La Mortelle Impuissance Deadly Impotence 1903 In this book Fran ois Proulx examines a wide panorama of these novels as well as polemical essays pedagogical articles and medical treatises on the perceived threats posed by young Frenchmen s reading habits Fin de si cle writers responded to this pathologization of reading with a profusion of novels addressed to young male readers paradoxically proposing their own novels as potential cures In the early twentieth century this corpus was critically revisited by a new generation of writers Victims of the Book shows how Andr Gide and Marcel Proust in particular reworked the fin de si cle paradox to subvert cultural norms about literature and masculinity proposing instead a queer pact between writer and reader Feminist Studies , 2004 **Monsieur Vénus** Rachilde, 2004 **Publications of the Modern**
