Women and Poor Relief in Seventeenth-Century France Susan E. Dinan,2017-09-29 Chronicling the history of the Daughters of Charity through the seventeenth century this study examines how the community's existence outside of convents helped to change the nature of women's religious communities and the early modern Catholic church Unusually for the time this group of Catholic religious women remained uncloistered They lived in private houses in the cities and towns of France offering medical care religious instruction and alms to the sick and the poor by the end of the century they were France's premier organization of nurses This book places the Daughters of Charity within the context of early modern poor relief in France the author shows how they played a critical role in shaping the system and also how they were shaped by it The study also examines the complicated relationship of the Daughters of Charity to the Catholic church of the time analyzing it not only for what light it can shed on the history of the community but also for what it can tell us about the Catholic Reformation more generally **The Soul of Elizabeth Seton** Joseph I. Dirvin,1990 Elizabeth Seton is an important saint for our times she was a convert an American a wife and mother as well as a widow the foundress of an order the Sisters of Charity and an administrator Fr Dirvin an authority on Saint Elizabeth Seton takes writings correspondence and recollections of Seton to reveal her deep life of faith and prayer A moving biography and an inspiring record of Elizabeth Seton's interior journey that gives us a profound spiritual portrait of a multifaceted saint Life of St. Vincent de Paul F. operated This biography is highly recommended for those interested in lives of saints social reform and the interplay of faith and action Forbes engaging prose and insightful analysis not only honor St Vincent s legacy but also inspire modern readers to reflect on their own roles in the ongoing quest for social justice and compassion The Vincentians: A General History of the Congregation of the Mission Luigi Mezzadri, CM, José Maria Román, CM, 2009 Their mission was humble and simple to reach the poor country people who suffered from ignorance of their faith a debased clergy and poverty In response Vincent De Paul defined the vocation of his Little Company as preaching local missions for free educating the clergy and working to relieve the people s poverty Soon however this vocation was complicated by commands to minister to royal families including Louis xiv of France and the kings and queens of Poland which would embroil the Vincentians in international and ecclesiastical politics In addition they would begin dangerous foreign missions such as ministering to the Christian captives of the Barbary pirates the debased colonists and rebellious natives of Madagascar and the vendetta prone Corsicans For the first time modern readers have a thoroughly researched history based on original documents and the studies of numerous scholars past and present It portrays the Vincentians daily lives and describes their failings as well as their exalted acts of heroism It also details the social and political milieus that conditioned their lives and work It is an important down to earth side of history not often told *The Incorruptibles* Joan Carroll Cruz, 1991-11 Continuously popular since it first appeared in 1977 *The Incorruptibles* remains the acknowledged classic on the bodies of Saints that did not undergo decomposition after death many remaining fresh and flexible for years or even centuries After explaining both natural and artificial mummification the author shows that the incorruption of the Saints bodies fits into neither category but constitutes a much greater phenomenon which is unexplained by modern science even to this day The author presents 102 canonized Saints Beati and Venerables summarizing their lives the discovery of their incorruption and investigations by Church and medical authorities The incorruptible bodies of saints are a consoling sign of Christ s victory over death a confirmation of the dogma of the Resurrection of the Body a sign that the Saints are still with us in the Mystical Body of Christ as well as a proof of the truth of the Catholic Faith for only in the Catholic Church do we find this phenomenon Every Catholic An Apostle William L. Portier, 2017-11-17 Born in Boston of immigrant parents Thomas A Judge CM 1868 1933 preached up and down the east coast on the Vincentian mission band between 1903 and 1915 Disturbed by the leakage of the immigrant poor from the church he enlisted and organized lay women he met on the missions to work for the preservation of the faith his watchword His work grew apace with and in some ways anticipated the growing body of papal teaching on the lay apostolate When he became superior of the godforsaken Vincentian Alabama mission in 1915 he invited the lay apostles to come south to help This is the layman s hour he wrote in 1919 By then however many of his lay apostles had evolved in the direction of vowed communal life This pioneer of the lay apostle founded two religious communities one of women and one of men With the indispensable help of his co founder Mother Boniface Keasey he spent the last decade of his life trying to gain canonical

approval for these groups organizing them and helping them learn to train the work a day man and woman into an apostle to cause each to be alert to the interests of the Church to be the Church The roaring twenties saw the work expanded beyond the Alabama missions as far as Puerto Rico which Judge viewed as a gateway to Latin America The Great Depression ended this expansive mood and time and put agonizing pressure on Judge his disciples and their work In 1932 the year before Judge s death the apostolic delegate upon being appraised of Judge s financial straits described his work as the only organized movement of its kind in the Church today that so completely meets the wishes of the Holy Father with reference to the Lay Apostolate
