Marjorie Bowen (pseud.)

Monster Of Florence A Marshal Guarnaccia Novel:

The Monster of Florence Magdalen Nabb, 2013 A Marshal Guarnaccia investigation Jacket **The Monster of Florence** Magdalen Nabb, 2013-10-01 Based on a chilling true crime *The Monster of Florence* follows the reopening of a cold case a serial killer who targeted unmarried couples and terrorized Florence for two decades Marshal Guarnaccia's job with the carabinieri the local Florentine police usually involves restoring stolen handbags to grateful old ladies and lost cameras to bewildered tourists So when he is assigned to work with the police in trying to track down a vicious serial killer he feels out of his league To make matters worse the Proc he must report to is Simonetti the same man he knows drove an innocent man to suicide several years earlier in his blind quest for a conviction The Marshal can't let the stress of the case get to him if he wants to make sure justice is upheld *Bloody Italy* Patricia Prandini Buckler, 2014-03-13 These new essays comprise a critical analysis of present day crime fiction and nonfiction works set in Italy all of which are available in English The writers discussed range from Donna Leon and Michael Dibdin to Leonardo Sciascia and Andrea Camilleri Essays also deal with nonfiction by Roberto Saviano and Douglas Preston An emerging theme is the corruption of Italian police and judiciary officials and the frustration of officers and politicians trying to work ethically within a flawed system Many of the works discussed show the struggle of the honest characters to find at least a limited justice for the victims **Crime Scenes** , 2021-11-01 The essays in this collection are based on papers given at a conference on detective fiction in European culture held at the University of Exeter in September 1997 The range of topics covered is designed to show not only the presence and variety of narratives of detection across different European countries and their different media although there is a predictable emphasis on the novel It also illustrates the fertility of the genre its openness to a spectrum of readings with different emphases formal as well as thematic Approaches to detective fiction have often tended to confine them selves to symptomatic interpretation where details of the fictional world represented are used to diagnose a specific set of social preoccupations and priorities operative at the time of writing Such approaches can yield valuable insights Nonetheless there is a risk of limiting the value of the genre as a whole solely to its role as a mirror held up to society In this perspective issues of structure and style are sidelined or if addressed are praised to the extent that they approach invisibility concision sparseness realism are the qualities singled out for praise The genre also gives much scope for formal innovation and indeed has often attracted already established mainstream writers and filmmakers for just this reason The eclectic diversity of the detective narratives considered in this volume reveal the malleability of the traditional constraints of the genre The essays bear rich testimony to the value of considering the interplay of thematic and structural issues even in the most apparently unselfconscious and popular or populist forms of narrative The patterns of reassurance the triumph of intellect and the ordered rational world of old are now challenged by the need to foreground the problems ambiguities and uncertainties of the self and of society The plurality of meanings and the antithetical imperatives explored in these detective narratives

confirm that the most recent forms of the genre are not mere palimpsests of their golden age precursors The subversion of traditional expectations and the implementation of diverse stylistic devices take the genre beyond mere homage and pastiche The role of the reader spectator and critic in conferring meaning is a crucial one **Life Stories** Maureen

O'Connor,2011-08-23 Memoirs autobiographies and diaries represent the most personal and most intimate of genres as well as one of the most abundant and popular Gain new understanding and better serve your readers with this detailed genre guide to nearly 700 titles that also includes notes on more than 2 800 read alike and other related titles The popularity of this body of literature has grown in recent years and it has also diversified in terms of the types of stories being told and persons telling them In the past readers advisors have depended on access by names or Dewey classifications and subjects to help readers find autobiographies they will enjoy This guide offers an alternative organizing the literature according to popular genres subgenres and themes that reflect common reading interests Describing titles that range from travel and adventure classics and celebrity autobiographies to foodie memoirs and environmental reads **Life Stories A Guide to Reading Interests in Memoirs Autobiographies and Diaries** presents a unique overview of the genre that specifically addresses the needs of readers advisors and others who work with readers in finding books **Gumshoes** Mitzi M. Brunsdale,2006-04-30 The

enormous explosion of crime fiction over the last decade means that more people are looking for a good mystery than ever before This dictionary of fictional detectives helps readers learn about the series in which their favorite detectives are featured Included are alphabetically arranged entries on roughly 150 fictional detectives which provide information about the works in which the detective appears the locales in which the detective operates the detective s investigative methods and other important information Helpful bibliographical citations direct the reader to other interesting works The volume closes with a selected general bibliography various appendices and an extensive index The enormous explosion of crime fiction over the last decade means that more people are looking for a good mystery than ever before Many of the most popular mystery books appear in series and these series feature carefully developed detectives **Waterstone's Guide to Crime Fiction** Nick Rennison,Richard Shephard,1997 The Mammoth Encyclopedia of Modern Crime Fiction Michael

Ashley,2002 A reference and overview of the genre of crime fiction primarily covering the 1950s onwards although major earlier writers such as Agatha Christie and Raymond Chandler also have entries *The Publishers Weekly* ,2001 *The Publishers' Trade List Annual* ,1985 **The Siege of Florence** Daniel Maccarthy,2023-07-18 *The Carnival of Florence* Marjorie Bowen (pseud.),1925
