management training that emphasize the importance of healing the relationship between parent and child. It includes attachment activities, novel games, a tantrum solution, and most importantly, a love and consequences approach. Parent management training has long been seen as the hallmark of treatment for ODD, but the FAST program moves this training into the twenty-first century. Breaking Up With ODD teaches parents to re-establish attachment with their child through play, praise, affection, and monitoring, and in the end, teaches the child how to show their best side to the world. *Silent Hill* Bernard Perron, 2012-01-03. The second entry in the Landmark Video Games series. *The Life and Times of Sgt. Joseph Thomas "Tom" Biway*, USMC D. J. Cotten, 2018-02-15. This story is about one narcissistic young man who was interested in self-gratification regardless of who got hurt or even killed in the process. **Beautiful Monster** Miles Borrero, 2023-10-24. A breathtaking, exquisitely crafted memoir about a trans person's singular journey through breaching the boundaries of gender across generations, cultures, and borders to become his truest, most authentic self. Nearing the age of forty with an entire life already lived as a woman, half in Colombia, half in the US, Miles Borrero comes face to face with his father's impending death. Suddenly realizing that he has been stalling his transition for fear of losing his family's love, this moment catalyzes Miles's determination to be fully known as his father's son before it is too late. In *Beautiful Monster*, Miles chronicles his unusual childhood by turns riveting and hilarious in the 80s and 90s Colombia during the Pablo Escobar years, as well as his move to Salt Lake City to pursue acting and the winding trajectory that eventually lands him in the New York City yoga scene. Within these very different cultures, the realities of being queer and trans echo poignantly through the triumphs, heartbreaks, family dynamics, spiritual pursuits, and relationships that propel Miles along his path. Sublimely nuanced and written in ravishing prose that is as unique and irresistible as its subject, *Beautiful Monster* is one person's story of navigating the pressures to perform femininity while becoming a gender outlaw. Brimming with wonder, humor, and mythos, entertaining and enlightening in equal measure, this book offers a compelling case for embracing one's true nature. **CHRYSLIS AND HER MONSTERS** Charlotte "Lottie" Brown, 2024-12-03. She stays busy hanging out with her large extended family. Lottie is excited to share her first book and is currently working on a second. *Time Imperfect* Bronislaw Wildstein, 2020-01-29. *An Imperfect Time* is an epic story depicting the fate of people involved in the grim history of the twentieth century. From the pogrom in the village near Pinsk to the reality of the Third Republic, the author leads us along winding roads, reversing the narrative, changing epochs and countries. We follow the fate of several generations of the Brok family, to whom history did not spare anything: neither suffering nor betrayal, nor crime nor ideological asphyxiation. But you can look at the book a little differently, namely as a record and an attempt to understand the experiences that shaped today's Poland from the bloody October Revolution through hopeful Solidarity to the futility of the Third Polish Republic. Finally, this book can be read as a kind of morality play showing the struggle of people against the temptations of evil and nothingness, those temptations that were effectively misled by the twentieth century. **The Moment** David Jones, 2014-06-09. *The Moment* contains seventy-five

practices and praxes for individuals and communities to live every moment as The Moment For worshiping communities  
The Moment takes church out of the past and into the present out of sanctuaries and into homes bars and lives for worship  
anywhere anytime and with anyone everytime everywhere and with everyone encountering God at any moment
