Monsters In The Bathroom:

There's a Monster in My Bathroom Ronnie E. Smith, 2016-05-20 Ever since Nicholas and his family moved into their bigger but much older home he has suspected that the noises coming from his bathroom aren't caused by faulty plumbing or old age but something more menacing Young readers will enjoy this cute adventure and will learn with Nicholas just what really in his bathroom is making all those scary noises There's a Monster in My Bathroom is the very first book in the Monster Mystery Series which is all about cute captivating bedtime stories which are not only intended to entertain young kids between the ages of 4 to 8 but also to help them learn to read or increase reading fluency through the rhyming canter style I'll incorporate into each book Though each story will be monster themed the monsters will be cute and non threatening whether real or imagined

Monster Apocalypse Paul R. Brown, 2018-11-20 When a worldwide monster invasion brings civilization to a crashing blood soaked halt and puts humanity on the Endangered Species list in the space of a single afternoon 23 year old misanthrope Fay Tucker must set out across the ruins of northeast Ohio in search of her little sister Daisy To see her mission through the embittered wannabe hermit is forced to associate with those treacherous simians aka human beings and soon becomes the nucleus of a small group of equally dysfunctional young women As their quest takes them from the corpse strewn streets of suburbia to the red litten alleys of a city ablaze with unholy fire from a harpy besieged National Guard base to an amusement park turned ogre run death camp the women are forced to contend with both demons within and monsters without and Fay finds herself forming bonds with her allies that may prove too strong for even her prickly soul to resist If that is she and they can stay alive that long

Humans vs Monsters David A. King Jr, 2019-01-31 The year is 1912 The world is reeling from the worldwide Great Depression which has left every nation on earth reeling financially During this time two camps of nations have risen to prominence The nations of America France England and Russia despite the economic collapses have managed to start to pull themselves out of the Great Depression On the other side is the UMN the United Monster Nations comprised of Transylvania home of the vampires Luciansburg home of the werewolves or Lycans Covenia home of the Witches or Wiccans and Decemus home of the zombies or the walking dead Both groups of nations are weary of one another The UMN is ruled over with an iron hand by Grand Chancellor Alucard who has brought to an end the centuries long war between the monster races and has had the monster clans united in their hatred of mankind At the outset of our story the UMN has been on a military buildup for more than ten years now and is planning a massed military assault against the human nations listed above for control of the Earth Though they preach for peace with America this is just a clever ruse by Lord Alucard to buy his nations more time to prepare for war One can only imagine the horrors of a conventional war
