Monsters From Outer Space:

Monsters from Outer Space? William Wise, 1978 Explains that most sightings of unidentified flying objects are actually understandable phenomena and discusses the possibility of intelligent life existing elsewhere in the universe **Monsters in the Movies** John Landis, 2011-09-19 From cinema's earliest days being scared out of your wits has always been one of the best reasons for going to the movies From B movie bogeymen and outer space oddities to big budget terrors *Monsters in the Movies* by horror film maestro John Landis celebrates the greatest monsters ever to creep fly slither stalk or rampage across the Silver Screen Landis also surveys the historical origins of archetypal monsters such as vampires zombies and werewolves and takes you behind the scenes to discover the secrets of the special effects wizards who created such legendary frighteners as King Kong Dracula the Alien and Freddy Krueger *Monsters in the Movies* by John Landis is filled with the author's own fascinating and entertaining insights into the world of movie making and includes memorable contributions from leading directors actors and monster makers The book is also stunningly illustrated with 1000 movie stills and posters drawn from the unrivaled archives of the Kobal Collection Contents Introduction by John Landis Explore a timeless world of fears and nightmares as John Landis investigates what makes a legendary movie monster *Monsters* chapter by chapter Feast your eyes upon a petrifying parade of voracious Vampires flesh eating Zombies slaving Werewolves gigantic Apes and Supernatural Terrors Spectacular double page features Thrill to the strangest scariest weirdest and craziest movie monsters ever seen The ingenious tricks of movie making Marvel as the special effects wizards reveal how they create movie magic A monster movie timeline Discover John Landis's personal selection of landmark horror films *Monsters from Outer Space* Gerard Jones, Will Jacobs, Gary Yap, 1992 **Monsters in the Machine** Steffen Hantke, 2016-06-20 During the 1950s and early 1960s the American film industry produced a distinct cycle of films situated on the boundary between horror and science fiction Using the familiar imagery of science fiction from alien invasions to biological mutation and space travel the vast majority of these films subscribed to the effects and aesthetics of horror film anticipating the dystopian turn of many science fiction films to come Departing from projections of American technological awe and optimism these films often evinced paranoia unease fear shock and disgust Not only did these movies address technophobia and its psychological social and cultural corollaries they also returned persistently to the military as a source of character setting and conflict Commensurate with a state of perpetual mobilization the US military comes across as an inescapable presence in American life Regardless of their genre Steffen Hantke argues that these films have long been understood as allegories of the Cold War They register anxieties about two major issues of the time atomic technologies especially the testing and use of nuclear weapons as well as communist aggression and or subversion Setting out to question expand and correct this critical argument Hantke follows shifts and adjustments prompted by recent scholarly work into the technological political and social history of America in the 1950s Based on this revised historical understanding science fiction films appear in a new light as they reflect on the troubled

memories of World War II the emergence of the military industrial complex the postwar rewriting of the American landscape and the relative insignificance of catastrophic nuclear war compared to America's involvement in postcolonial conflicts around the globe

Monsters in the Closet Harry M. Benshoff, 1997-11-15 *Monster in the Closet* is a history of the horrors film that explores the genre's relationship to the social and cultural history of homosexuality in America Drawing on a wide variety of films and primary source materials including censorship files critical reviews promotional materials fanzines men's magazines and popular news weeklies the book examines the historical figure of the movie monster in relation to various medical psychological religious and social models of homosexuality While recent work within gay and lesbian studies has explored how the genetic tropes of the horror film intersect with popular culture's understanding of queerness this is the first book to examine how the concept of the monster queer has evolved from era to era From the gay and lesbian sensibilities encoded into the form and content of the classical Hollywood horror film to recent films which play upon AIDS related fears *Monster in the Closet* examines how the horror film started and continues to demonize or quite literally monsterize queer sexuality and what the pleasures and costs of such representations might be both for individual spectators and culture at large

Androids, Humanoids, and Other Science Fiction Monsters Per Schelde, 1994-07 Unlike science fiction literature science fiction film has until now been largely neglected as a genre worthy of study and scholarship *Androids Humanoids and Other Folklore Monsters* explores science fiction sf film as the modern incarnation of folklore emblematic of the struggle between nature and culture but with a new twist
