Tracking Classical Monsters in Popular Culture Liz Gloyn,2019-10-31 What is it about ancient monsters that popular culture still finds so enthralling Why do the monsters of antiquity continue to stride across the modern world In this book the first in depth study of how post classical societies use the creatures from ancient myth Liz Gloyn reveals the trends behind how we have used monsters since the 1950s to the present day and considers why they have remained such a powerful presence in our shared cultural imagination She presents a new model for interpreting the extraordinary vitality that classical monsters have shown and their enormous adaptability in finding places to dwell in popular culture without sacrificing their connection to the ancient world Her argument takes her readers through a comprehensive tour of monsters on film and television from the much loved creations of Ray Harryhausen in Clash of the Titans to the monster of the week in Hercules The Legendary Journeys before looking in detail at the afterlives of the Medusa and the Minotaur She develops a broad theory of the ancient monster and its life after antiquity investigating its relation to gender genre and space to offer a bold and novel exploration of what keeps drawing us back to these mythical beasts From the siren to the centaur all monster lovers will find something to enjoy in this stimulating and accessible book

Monster Culture in the 21st Century Marina Levina,Diem-My T. Bui,2013-05-23 In the past decade our rapidly changing world faced terrorism global epidemics

economic and social strife new communication technologies immigration and climate change to name a few These fears and tensions reflect an evermore interconnected global environment where increased mobility of people technologies and disease have produced great social political and economical uncertainty The essays in this collection examine how monstrosity has been used to manage these rising fears and tensions Analyzing popular films and televisions shows such as True Blood Twilight Paranormal Activity District 9 Battlestar Galactica and Avatar it argues that monstrous narratives of the past decade have become omnipresent specifically because they represent collective social anxieties over resisting and embracing change in the 21st century The first comprehensive text that uses monstrosity not just as a metaphor for change but rather a necessary condition through which change is lived and experienced in the 21st century this approach introduces a different perspective toward the study of monstrosity in culture

Every Arc Bends Its Radian Sergio De La Pava, 2024-11-12 From PEN Award winning author Sergio de la Pava comes an existential detective novel about a private investigator who flees New York City for Colombia after a personal tragedy and finds himself entangled in a young woman s strange disappearance which may be connected to one of the world s most ruthless criminal organizations Riv poet philosopher private eye arrives in Cali Colombia hoping to find reprieve Running away from an unspeakable event surrounding his ex Jane Riv accidentally connects with his cousin Mauro and family friend Carlotta who asks him to find her daughter Angelica Alfa Ochoa No sooner is Riv on the trail when it becomes clear that not only are the cops not looking for Angelica but they are actively preventing him from finding her This could be a good thing because the police are clearly in the pocket of one Exeter Mondragon a name best never uttered in public if one wants to stay alive But Riv is not one to leave things incomplete When his investigation leads him straight into the heart of Mondragon s criminal empire he is forced not only to face unimaginable horrors but also to plunge into the deepest and most perplexing conundrums of the human condition Lightning fast on the page and steeped in the cultural history of Colombia Every Arc Bends Its Radian is a novel only Sergio de la Pava could write As incredibly funny as it is ridiculously smart it poses large philosophical questions while keeping you laughing A novel idea about the biggest idea of them all what in God s name are we even put on earth for this book is a singular exploration of the human mind
