Bell, F. William Brownell, David R. Case, Kevin A. Ewing, Jessica O. King, Stanley W. Landfair, Duke K. McCall III, Marshall Lee Miller, Karen J. Nardi, Austin P.

Olney, Thomas Richichi, John M. Scagnelli, James W. Spensley, Daniel M. Steinway, Rolf R. von Oppenfeld, 2013-12-04 The environmental field and its regulations have evolved significantly since Congress passed the first environmental law in 1970 and the Environmental Law Handbook published just three years later has been indispensable to students and professionals ever since. The authors provide clear and accessible explanations, expert legal insight into new and evolving regulations and reliable compliance and management guidance. The Environmental Law Handbook continues to provide individuals across the country, professionals, professors and students with a comprehensive up to date and easy to read look at the major environmental health and safety laws affecting U.S. businesses and organizations. Because it is written by the country's leading environmental law firms, it provides the best, most reliable guidance anywhere. Both professional environmental managers and students aspiring to careers in environmental management should keep the Environmental Law Handbook within arm's reach for thoughtful answers to regulatory questions like: How do I ensure compliance with the regulations? How do the latest environmental developments impact my operations? How do we keep our operations efficient and our community safe? This handbook begins with chapters on the fundamentals of environmental law and on issues of enforcement and liability. It then dives headfirst into the major laws, examining their history, scope and requirements, with a chapter devoted to each. The 22nd edition of this well known handbook has been thoroughly updated, covering major changes to the law and enforcement in the areas of Clean Air, Clean Water, Climate Change, Oil Pollution and Pollution Prevention. This is an essential reference for environmental students and professionals and anyone who wants the most up to date information available on environmental laws.

Searching the Law - The States Francis R. Doyle, 2022-11-14 This revised two volume set reproduces the easy to use, logically organized format of Searching the Law for each of the 50 U.S. states. Arranged by state and by topic, within each state it features a complete list of all the legal research materials available for each state jurisdiction, thousands of citations to the legal literature of each state, materials applicable to more than one topic listed under each topic, repeated listings under each state and topic where they apply, and author, title, publisher format and the latest known supplement for each citation. Searching the Law: The States is the companion text to Searching the Law. Together, the sets form one of the most comprehensive, logical legal reference sources available. Published under the Transnational Publishers imprint. The print edition is available as a set of two volumes 9781571052872.

The Environmental Law Handbook Norman J. Landau, Paul D. Rheingold, 1971
