Montand Raconte Montand H. Hamon, Patrick Rotman, 2002 **Montand raconte Montand** Yves Montand, 2001

The Once Upon a Time World Jonathan Miles, 2023-09-05 Chronicling two hundred years of glamour intrigue and hedonism this rich and vivid history of the French Riviera features a vast cast of characters from Pablo Picasso and Coco Chanel to Andre Matisse and James Baldwin 1835 Lord Brougham founded Cannes introducing bathing and the manicured lawn to the wilds of the Mediterranean coast Today much of that shore has become a concrete mass from which escape is an exclusive dream In the 185 years between the stretch of seaboard from the red mountains of the Esterel to the Italian border hosted a cultural phenomenon well in excess of its tiny size A mere handful of towns and resorts created by foreign visitors notably English Russian and American attracted the talented rich and famous as well as those who wanted to be For nearly two centuries of creativity luxury excess scandal war and corruption the dark and sparkling world of the Riviera was a temptation for everybody who was anybody Often frivolous it was also a potent cultural matrix that inspired the likes of Picasso Matisse Coco Chanel Scott Fitzgerald Cole Porter James Baldwin Catherine Mansfield Sartre and Stravinsky In Once Upon a Time World Jonathan Miles presents the remarkable story of the small strip of French coast that lured the world to its shores It is a wild and unforgettable tale that follows the Riviera's transformation from paradise and wilderness to a pollution imperiled concrete jungle

Simone Signoret Susan Hayward, 2004-06-22 In what may be the most in depth study yet published of a film star's body of work Susan Hayward charts the career of Simone Signoret one of the great French actresses of the 20th Century Signoret who won an Oscar in 1960 for her performance in Room at the Top was a key figure in French cinema for 40 years But it is not so much her longevity that impresses as it is the quality of work she produced as her career progressed She started out as a stunningly beautiful woman winning major international awards five times for her roles and yet was only moderately in demand during those years From the 1960s onwards when her looks began to decline significantly Signoret was in greater demand and produced most of her output She insisted on playing roles consonant with her real age and often chose to play roles that portrayed her as even more ugly than she had become Simone Signoret The Star as Cultural Sign is a remarkable achievement a labor of love from one of the world's leading scholars of French cinema
