presence to share and exchange of thoughts and views about life experiences All readers can be at home with him from simple to complex truths and philosophies about life Charles wants the readers to discover something about their selves as they read his poems for as human beings we are more similar than difference in our choices It does not matter what race culture or sex differences we have We are still human being for we all think sleep and dream And can truly make better choices Charles hopes all readers can clearly see this in his poems Library of Michigan Access ,1990 The Photograph Collector ,1987 **The Michigan Historical Review** ,2007 The Sourcebook of Architectural & Interior Art ,2006
