

Other Novels by John Updike

THE POORHOUSE FAIR

"Turning on a narrow plot of ground, it achieves the rarity of bounded, native truth, and comes forth as microcosm."
—RICHARD GILMAN, *Commonwealth*

RABBIT, RUN

"The reviewers seemed to be under the impression that the hero was a terrible character. It's incredible! No, I think it's the most interesting American novel I've read in quite a long time."
—MARTIN MCCARTHY, interviewed in *The Paris Review*

THE CENTAUR

National Book Award for Fiction, 1964
Le prix du meilleur livre étranger, 1965

OF THE FARM

"John Updike has achieved a mastery of touch, a suppleness of style, and a subtlety of vision gained by few writers of fiction. . . . This novel is, very clearly and very completely, a small masterpiece." —PETER BERNSTEIN, *The New York Times Book Review*

COUPLES

"A long, lovingly detailed account of sexual intimacy in marriage and out of marriage. . . . As a sociologist of all the new American sexuality, skating lightly and nimbly over situations that would have shocked anybody before the country of abundance and the 'post-pill paradise,' Updike gets A-plus."
—ARMIN KORN, *Book World*

RABBIT REDUX

"I can think of no stronger vindication of the claims of sexually explicit fiction than this extraordinary synthesis of the deepest dimensions of contemporary experience. *Rabbit Redux* is a great achievement, by far the most audacious and successful book Updike has written."
—RICHARD LEE, *The New York Times Book Review*

Alfred A. Knopf, Publisher, New York
