Sarah M. Pike

New Age And Neopagan Religions In America:

New Age and Neopagan Religions in America Sarah M. Pike, 2006 **New Age and Neopagan Religions in America** Sarah M. Pike, 2004 Sarah Pike traces the history of New Age and Neopagan religions in the United States from their origins in the nineteenth century to their reemergence in the 1960s counterculture. She also considers the differences and similarities between the New Age and Neopagan movements as well as the antagonistic relationship between these two practices and other religions in America, particularly Christianity. Covering such topics as healing, gender and sexuality, millennialism, and ritual experience, she offers a sympathetic yet critical treatment of religious practices often marginalized yet soaring in popularity. Her book is a rich analysis of these spiritual worlds and social networks and questions why these faiths are flourishing at this point in American history. New Age, Neopagan, and New Religious Movements Hugh B. Urban, 2015-09-15 *New Age, Neopagan, and New Religious Movements* is the most extensive study to date of modern American alternative spiritual currents. Hugh B. Urban covers a range of emerging religions from the mid nineteenth century to the present, including the Nation of Islam, Mormonism, Scientology, ISKCON, Wicca, the Church of Satan, Peoples Temple, and the Branch Davidians. This essential text engages students by addressing major theoretical and methodological issues in the study of new religions and is organized to guide students in their learning. Each chapter focuses on one important issue involving a particular faith group, providing readers with examples that illustrate larger issues in the study of religion and American culture. Urban addresses such questions as: Why has there been such a tremendous proliferation of new spiritual forms in the past 150 years, even as our society has become increasingly rational, scientific, technological, and secular? Why has the United States become the heartland for the explosion of new religious movements? How do we deal with complex legal debates such as the use of peyote by the Native American Church or the practice of plural marriage by some Mormon communities? And how do we navigate issues of religious freedom and privacy in an age of religious violence, terrorism, and government surveillance? Introduction to New and Alternative Religions in America William M. Ashcraft, Eugene V. Gallagher, 2006-10-30 Most new or alternative religions are gravely misunderstood by members of the religious mainstream. Labeled cults or sects, groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large. Despite their efforts at educating the general public, the various anti and counter cult activists have in fact promoted much more misunderstanding than accurate understanding of the religious lives of some of their fellow citizens. Consequently, they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so-called mainstream. This set rectifies the situation by presenting accurate, comprehensive, authoritative, and accessible accounts of various new and alternative religious movements that have been and are active in American society, and it addresses ways of understanding new and alternative religions within a broader context. Determining what actually constitutes a new or alternative religion is a subject of constant debate. Questions arise as to a new faith's legitimacy.

beliefs methods of conversion and other facets of a religious movement's viability and place in a given culture How a religion gains recognition by the mainstream which often labels such new movements as cults is fraught with difficulty tension and fear Here experts delineate the boundaries and examine the various groups beliefs movements and other issues related to new faiths and alternative beliefs Readers will come away with a fuller understanding of the religious landscape in America today Volume 1 History and Controversies discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them This volume helps readers better understand what makes a new or alternative belief system a religion and the issues involved Volume 2 Jewish and Christian Traditions explores the various new religions that have grown out of these two Abrahamic faiths Groups such as the Shakers the People's Temple the Branch Davidians Jehovah's Witnesses and others are examined Volume 3 Metaphysical New Age and Neopagan Movements looks at Shamanism Spiritualism Wicca and Paganism among other movements as they have developed and grown in the U S These faiths have found new and devoted followers yet are often misunderstood Volume 4 Asian Traditions focuses on those new and alternative religions that have been inspired by Asian religious traditions From Baha'i to Soka Gakkai from Adidam to the Vedanta Society contributors look at a full range of groups practicing and worshiping in the U S today Volume 5 African Diaspora Traditions and Other American Innovations examines the various traditions linked to the African diaspora such as Rastafarianism Santeria and the Nation of Islam alongside traditions that are truly American incarnations like Scientology UFO religions and Heaven's Gate Some of the new and alternative religions covered in these pages include Shamanism Wicca Black Israelites Santeria Scientology Elan Vital Hare Krishna Soka Gakkai and many more

Introduction to New and Alternative Religions in America: Metaphysical, New Age, and neopagan movements Eugene V. Gallagher, W. 9780334041155 however the work may be read as a stand alone text **Witches Among Us** Thorn Mooney, 2024-10-08

Everything You Wanted to Know About Witchcraft But Were Afraid to Ask. Occult references ripple frequently through mainstream culture. Wiccan and witchcraft movements appear trendier than ever and chances are that you're unknowingly acquainted with at least one witch. Drawing on her expertise as a magical practitioner and religious studies scholar, Thorn Mooney pulls back the curtain, introducing you to this complex world and helping you understand why it holds such intense appeal for so many. Thorn answers all your questions and dispels common misconceptions while delving into what it means to be a witch, including beliefs and practices. Discover what magic really is and what casting it entails. Gain insights into Wicca's distinctions from witchcraft and how these communities are structured. With this fascinating yet concise guide, you can better understand the witches in your life and the reasons why magical thinking thrives. *Choosing Our Religion* Elizabeth

Drescher, 2016-03-01. In *Choosing Our Religion*, Elizabeth Drescher explores the diverse, complex spiritual lives of Nones across generations and across categories of self-identification as Spiritual But Not Religious, Atheist, Agnostic, Humanist, just Spiritual, and more. **Spirituality for the Sent** Nathan A. Finn, Keith S. Whitfield, 2017-03-28. While spiritual formation focuses on the inner life of the Christian, the missional church discussion focuses on one's life in the world. Nathan A. Finn and Keith S. Whitfield bring together leading evangelical voices to cast a new vision for a missional spirituality that fosters spiritual maturity while also fueling Christian evangelism, cultural engagement, and the pursuit of justice. Religion and the Marketplace in the United States Jan Stievertmann, Philip Goff, 2015. This collection of essays focuses on the diverse interactions between religious and commercial practices in U.S. history. Studying religion and the marketplace from various angles, each chapter offers insights into a long and intimate relationship between two aspects of American culture.

Heaven's Gate Benjamin E. Zeller, Robert W. Balch, 2014-10-31. The captivating story of the religious group focused on transcending humanity and the Earth and seeking salvation in the literal heavens on board a UFO. 2015 Best Book Award from the Communal Studies Association. In March 1997, thirty-nine people in Rancho Santa Fe, California, ritually terminated their lives. To outsiders, it was a mass suicide; to insiders, it was a graduation. This act was the culmination of over two decades of spiritual and social development for the members of Heaven's Gate. In this fascinating overview, Benjamin Zeller not only explores the question of why the members of Heaven's Gate committed ritual suicides but interrogates the origin and evolution of the religion, its appeal, and its practices. By tracking the development of the history, social structure, and worldview of Heaven's Gate, Zeller draws out the ways in which the movement was both a reflection and a microcosm of

larger American culture The group emerged out of engagement with Evangelical Christianity the New Age movement science fiction and UFOs and conspiracy theories and it evolved in response to the religious quests of baby boomers new religions of the counterculture and the narcissistic pessimism of the 1990s Thus Heaven s Gate not only reflects the context of its environment but also reveals how those forces interacted in the form of a single religious body In the only book length study of Heaven s Gate Zeller traces the roots of the movement examines its beliefs and practices and tells the captivating story of its people The most thorough work on the cult of Heaven s Gate that is presently available Choice *Free-Range Religion* Adrienne Krone,2025-10-01 Ethical and moral concerns about food and diet commonly feature in individuals religious identities and expressions These concerns extend beyond what one should eat to include how food should be prepared and produced As Adrienne Krone demonstrates in this ethnographic study participants in alternative food movements are developing new ways to see food preparation and production as religious acts Following two Christian and two Jewish food organizations Krone complicates our understanding of American religion as religious people come together across a range of differences to change the food system Free Range Religion showcases the complex ways that religion lives and works within food production marketing and distribution These free range religious practices blend belief and practice with secular concerns and constitute a key albeit understudied part of the American alternative food movement *African American Religious Cultures* Anthony B. Pinn,2009-09-10 This encyclopedia offers the most comprehensive presentation available on the diversity and richness of religious practices among African Americans from traditions predating the era of the transatlantic slave trade to contemporary religious movements Like no previous reference African American Religious Cultures captures the full scope of African American religious identity tracing the long history of African American engagement with spiritual practice while exploring the origins and complexities of current religious traditions This breakthrough encyclopedia offers alphabetically organized entries on every major spiritual belief system as it has evolved among African American communities covering its beginnings development major doctrinal points rituals important figures and defining moments In addition the work illustrates how the social and economic realities of life for African Americans have shaped beliefs across the spectrum of religious cultures

New Age And Neopagan Religions In America Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project

Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading New Age And Neopagan Religions In America free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading New Age And Neopagan Religions In America free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading New Age And Neopagan Religions In America free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading New Age And Neopagan Religions In America. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading New Age And Neopagan Religions In America any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About New Age And Neopagan Religions In America Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
