

The background is a painting of a landscape. It features a path that leads from the foreground towards a small, light-colored building in the distance. The landscape is characterized by rolling hills and a body of water, possibly a lake or a wide river. The colors are muted, with a palette of greens, browns, and greys. The overall style is impressionistic, with visible brushstrokes and a soft focus.

Ninth Life Of Louis Drax A Novel:

The Ninth Life of Louis Drax Liz Jensen, 2005-01-01 Louis Drax has always been accident prone with something violent befalling him every year but when he falls off a cliff and into a coma on his ninth birthday it may not have been an accident and the only one with the key to the truth may be Louis himself Reprint 40 000 first printing [The Ninth Life of Louis Drax](#) Liz Jensen, 2008-12-17 The Ninth Life of Louis Drax packs an irresistibly twisted wallop An exhilarating darkly inventive read Elle Soon to be a major feature film starring Jamie Dornan Fifty Shades of Grey Nine year old Louis Drax is a problem child bright precocious deceitful and dangerously accident prone When he falls off a cliff during a picnic the accident seems almost predestined Louis miraculously survives but the family has been shattered Louis father has vanished his mother is in shock and Louis lies in a deep coma from which he may never emerge In a renowned coma clinic a specialist tries to coax Louis back to consciousness But the boy defies medical logic startling the doctor out of his safe preconceptions and drawing him inexorably into the dark heart of Louis buried world Only Louis holds the key to the mystery surrounding his fall and he can't communicate Or can he *My Dirty Little Book of Stolen Time* Liz Jensen, 2008-12-11 Charlotte Schleswig the delightful narrator of Liz Jensen's latest novel supports herself and the lumpen Fru Schleswig who may or may not be her mother as a prostitute in 1890s Copenhagen While she is no small success at the trade she leaps at a new job opportunity for herself and Fru Schleswig as cleaning ladies for the wealthy widow Krak But mysteries abound at Fru Krak's dark old mansion The basement appears to be haunted townspeople claim to have seen the dead Professor Krak walking the streets as a ghost and there are stories of desperate souls who paid the professor a visit and never emerged In fact as Charlotte will discover there is a simple explanation for all this the basement is home to a time machine When their cunning investigations land them in trouble Charlotte and Fru Schleswig find themselves catapulted through time and space to modern day London and there their adventures truly begin With the minxy intrepid Charlotte Liz Jensen introduces a heroine every bit as memorable as Louis Drax And with *My Dirty Little Book of Stolen Time* she delivers yet another outlandishly entertaining novel in which the seemingly insurmountable obstacle of spacetime proves no match for human ingenuity and earthly passion [The Otherworlds of Liz Jensen](#) Helen Esther Mundler, 2016 The first study of one of the most innovative of contemporary novelists Liz Jensen and of the otherworlds in her fiction Liz Jensen a British author of eight novels is among today's most innovative writers Her literary thrillers occupy the terrain between realism and science fiction This first study of Jensen centers on the very diverse otherworlds she creates in each of her novels which can consist of an indeterminate space of ontological instability a zone in which real and unreal converge to destabilize the realist text as in *Egg Dancing* 1995 and *The Ninth Life of Louis Drax* 2004 In other novels the otherworld relies on defamiliarization thus in *War Crimes for the Home* 2002 the experience of war is transformed by being seen from a woman's perspective In still other cases the otherworld spans the novel's entire topos as in *The Paper Eater* 2000 the full blown utopia at the center of Jensen's oeuvre Jensen's work

approaches contemporary social issues such as religious fundamentalism ecological disaster and assisted procreation Simultaneously it displays a number of characteristics of erudite fiction including self reflexivity inter and intratextual reference parody pastiche and burlesque Notwithstanding the popular elements of Jensen s work Helen E Mundler s study adopts a rigorously academic approach to it referencing canonical works but also more innovative texts particularly by contemporary women writers as points of comparison Helen E Mundler is Senior Lecturer in English Studies at UPEC Universit Paris Est Cr teil with a research affiliation at the Universit Paris X Nanterre La D fense Climate Change and the Contemporary Novel Adeline Johns-Putra,2019-03-21 Analysing how contemporary fiction explores climate change Johns Putra argues that literature can help us understand our obligations to the future *The Language and Imagery of Coma and Brain Injury* Matthew Colbeck,2021-04-22 What occurs within coma What does the coma patient experience How does the patient perceive the world outside of coma if at all The simple answer to these questions is that we don t know Yet the sheer volume of literary and media texts would have us believe that we do Examining representations of coma and brain injury across a variety of texts this book investigates common tropes and linguistic devices used to portray the medical condition of coma giving rise to universal mythologies and misconceptions in the public domain Matthew Colbeck looks at how these texts represent or fail to represent long term brain injury drawing on narratives of coma survivors that have been produced and curated through writing groups he has run over the last 10 years Discussing a diverse range of cultural works including novels by Irvine Welsh Stephen King Tom McCarthy and Douglas Coupland as well as film and media texts such as The Sopranos Kill Bill Coma and The Walking Dead Colbeck provides an explanation for our fascination with coma With a proliferation of misleading stories of survival in the media and in literature this book explores the potential impact these have upon our own understanding of coma and its victims *Is it French? Popular Postnational Screen Fiction from France* Mary Harrod,Raphaëlle Moine,2024-01-30 This book investigates the recently accelerated phenomenon of mainstream French film and serial television s remarkable popularity not only within but more novelly for European audiovisual narratives outside the domestic context Treating changes that have taken place in France s production landscape during the mass rollout of global streaming platforms as revelatory of broader tendencies in media production and circulation in Europe and beyond the collection explores emergent influential players Omar Sy Camille Cottin Alexandre Aja and Fanny Herrero companies such as Netflix and Gaumont and new genres identities and representations on screen It thus draws together a body of new research by international experts in French and European media production to analyse popular film and television series from France through a postnational lens with regards to both economic and institutional norms and to culture as a whole This book is available open access under a Creative Commons Attribution 4 0 International License via link [springer.com](https://www.springer.com) **The Mums' Book** Alison Maloney,2011-06-30 For the mum who embraces motherhood and all that it entails The Mums Book is a humorous handbook on the ups and downs of being a mother *The Uninvited* Liz Jensen,2013-01-08 A seven year old girl

puts a nail gun to her grandmother's neck and fires. An isolated incident, say the experts. The experts are wrong. Across the world, children are killing their families. Is violence contagious? As chilling murders by children grip the country, anthropologist Hesketh Lock has his own mystery to solve: a bizarre scandal in the Taiwan timber industry. Hesketh has never been good at relationships. Asperger's Syndrome has seen to that. But he does have a talent for spotting behavioral patterns and an outsider's fascination with group dynamics. Nothing obvious connects Hesketh's Asian case with the atrocities back home. Or with the increasingly odd behavior of his beloved stepson Freddy. But when Hesketh's Taiwan contact dies shockingly and more acts of sabotage and child violence sweep the globe, he is forced to acknowledge possibilities that defy the rational principles on which he has staked his life, his career, and most devastatingly, of all, his role as a father. Part psychological thriller, part dystopian nightmare, *The Uninvited* is a powerful and viscerally unsettling portrait of apocalypse in embryo.
